Item 1.01. Entry into a Material Definitive Agreement.

On March 1, 2020, Gilead Sciences, Inc., a Delaware corporation (“Parent” or “Gilead”), entered into an Agreement and Plan of Merger (the “Merger Agreement”), among Parent, Forty Seven, Inc., a Delaware corporation (“Forty Seven”), and Toro Merger Sub, Inc., a Delaware corporation and a wholly-owned subsidiary of Parent (“Purchaser”).

Pursuant to the Merger Agreement, and upon the terms and subject to the conditions thereof, Purchaser will commence a tender offer (the “Offer”), to purchase all of the issued and outstanding shares (the “Shares”) of common stock, par value \$0.0001 per share, of Forty Seven other than any Shares held immediately prior to the effective time of the Merger by Forty Seven (or held in Forty Seven’s treasury) and any Shares held immediately prior to the effective time of the Merger by Parent, Purchaser or any other direct or indirect wholly owned subsidiary of Parent at a price of \$95.50 per Share (the “Offer Price”), net to the seller in cash, without interest.

The Offer will initially remain open for a minimum of 20 business days from the date of commencement of the Offer. If at the scheduled expiration time of the Offer any of the conditions to the Offer have not been satisfied (unless such condition is waivable by Purchaser or Parent and has been waived), Purchaser will, and Parent will cause Purchaser to, extend the Offer to permit the satisfaction of all Offer conditions.

The obligation of Purchaser to consummate the Offer is subject to the satisfaction or waiver of customary conditions, including, among others, (i) there being validly tendered and not validly withdrawn prior to the expiration of the Offer a number of Shares that, considered together with all other Shares (if any) owned by Parent and its affiliates, comprise one more Share than 50% of the sum of the then-outstanding Shares plus Shares issuable upon conversion of all vested and outstanding options at the expiration of the Offer, (ii) the expiration or termination of the waiting period (or any extension thereof) applicable to the Offer under the Hart-Scott-Rodino Antitrust Improvements Act of 1976, as amended (the “HSR Act”), (iii) the absence of any law or order prohibiting the consummation of the Offer or the Merger and other customary conditions set forth in Annex I to the Merger Agreement.

Following the consummation of the Offer and subject to the terms and conditions of the Merger Agreement, Purchaser will merge with and into Forty Seven pursuant to Section 251(h) of the General Corporation Law of the State of Delaware (the “DGCL”), with Forty Seven being the surviving corporation (the “Merger”). At the effective time of the Merger, each Share, including any Shares subject to vesting or employment based forfeiture conditions (other than (i) Shares held by Forty Seven (or held in Forty Seven’s treasury), (ii) Shares held by Parent, Purchaser, or any other direct or indirect wholly owned subsidiary of Parent and (iii) Shares held by stockholders who have properly exercised and perfected their demands for appraisal of such Shares in accordance with the DGCL and have neither withdrawn nor lost such rights prior to the effective time) will be converted into the right to receive an amount in cash equal to the Offer Price, without interest, without regard to any applicable vesting or employment based forfeiture conditions, and subject to any required withholding of taxes.

The Merger Agreement includes customary representations, warranties and covenants of Forty Seven, Parent and Purchaser.

Forty Seven has agreed to customary “no-shop” restrictions on its ability to solicit alternative acquisition proposals from third parties and engage in discussions or negotiations with third parties regarding alternative acquisition proposals. Notwithstanding these restrictions, Forty Seven may under certain circumstances provide information to and participate in discussions or negotiations with third parties with respect to a bona fide written alternative acquisition proposal that the board of directors of Forty Seven has determined constitutes or would reasonably be expected to result in a Superior Offer (as defined in the Merger Agreement), if failing to do so would be inconsistent with the board’s fiduciary duties under applicable law.

The Merger Agreement also provides that, in connection with the termination of the Merger Agreement under specified circumstances, including termination by Forty Seven to accept and enter into an agreement with respect to a Superior Offer (as defined in the Merger Agreement), Forty Seven will pay Parent a termination fee of \$160 million.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2.1 hereto and which is incorporated herein by reference. The Merger Agreement has been filed to provide information to investors regarding its terms. It is not intended to provide any other factual information about Parent, Purchaser or Forty Seven, their respective businesses, or the actual conduct of their respective businesses during the period prior to the consummation of the Offer, the Merger or the other transactions contemplated by the Merger Agreement. The Merger Agreement and this summary should not be relied upon as disclosure about Parent or Forty Seven. None of Forty Seven's stockholders or any other third parties should rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of Parent, Purchaser, Forty Seven or any of their respective subsidiaries or affiliates. The Merger Agreement contains representations and warranties that are the product of negotiations among the parties thereto and that the parties made to, and solely for the benefit of, each other as of specified dates. The assertions embodied in those representations and warranties are subject to qualifications and limitations agreed to by the respective parties and are also qualified in important part by confidential disclosure schedules delivered in connection with the Merger Agreement. The representations and warranties may have been made for the purpose of allocating contractual risk between the parties to the agreements instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors.

Item 8.01. Other Events.

On March 2, 2020, Parent and Forty Seven issued a joint press release announcing their entry into the Merger Agreement, a copy of which is attached as Exhibit 99.1 to this Current Report on Form 8-K and incorporated by reference herein.

Certain capitalized terms used in this Agreement are defined in Exhibit A.

RECITALS

(A) Parent has agreed to cause Purchaser to commence a tender offer (as it may be amended from time to time as permitted under this Agreement, the “Offer”) to acquire all of the outstanding shares of Company Common Stock (the “Shares”), other than the Excluded Shares, for \$95.50 per share, net to the seller in cash, without interest (as such amount may be amended or adjusted in accordance with the terms of this Agreement, the “Offer Price”), upon the terms and subject to the conditions of this Agreement.

(B) As soon as practicable following the consummation of the Offer, Purchaser will be merged with and into the Company (the “Merger”), with the Company continuing as the surviving corporation in the Merger (the “Surviving Corporation”), on the terms and subject to the conditions set forth in this Agreement, whereby (i) each issued and outstanding Share not owned by Parent, Purchaser or the Company as of the Effective Time (other than Excluded Shares and Dissenting Shares) shall be converted into the right to receive the Offer Price, in cash, without interest, and (ii) the Company shall become a wholly owned Subsidiary of Parent as a result of the Merger.

(D) The board of directors of each of Parent and Purchaser have approved this Agreement and declared it advisable for Parent and Purchaser, respectively, to enter into this Agreement.

(E) Parent, Purchaser and the Company acknowledge and agree that the Merger may be effected pursuant to Section 251(h) of the DGCL and shall, subject to the satisfaction of the conditions set forth in this Agreement, be consummated as soon as practicable following the consummation of the Offer.

AGREEMENT

The Parties, intending to be legally bound, agree as follows:

SECTION 1

THE OFFER

1.1 The Offer.

(a) **Commencement of the Offer.** Provided that this Agreement shall not have been terminated in accordance with Section 8, as promptly as practicable after the date of this Agreement but in no event more than 10 business days after the date of this Agreement (subject to the Company having timely provided any information required to be provided by it pursuant to Sections 1.1(e) and 1.2(b)), Purchaser shall (and Parent shall cause Purchaser to) commence (within the meaning of Rule 14d-2 under the Exchange Act) the Offer to purchase all of the outstanding Shares (other than Shares to be cancelled pursuant to Sections 2.5(a)(i) and 2.5(a)(ii) (collectively, the “Excluded Shares”), at a price per Share equal to the Offer Price, net to the seller in cash, without interest and subject to any withholding of Tax in accordance with Section 2.6(e).

(b) **Terms and Conditions of the Offer.** The obligations of Purchaser to (and of Parent to cause Purchaser to) accept for payment, and pay for, any Shares validly tendered (and not validly withdrawn) pursuant to the Offer shall be subject to the satisfaction or waiver (to the extent permitted under applicable Legal Requirements) of the conditions set forth in Annex I (collectively, the “Offer Conditions”), and no other conditions. The Offer shall be made by means of an offer to purchase (the “Offer to Purchase”) that contains the terms set forth in this Agreement, the Minimum Condition, the Termination Condition and the other Offer Conditions. Purchaser expressly reserves the right to (i) increase the amount of cash constituting the Offer Price, (ii) waive any Offer Condition (to the extent permitted under applicable Legal Requirements) and (iii) make any other changes in the terms and conditions of the Offer not inconsistent with the terms of this Agreement; *provided, however*, notwithstanding anything to the contrary contained in this Agreement, without the prior written consent of the Company, Parent and Purchaser shall not (A) decrease the Offer Price, (B) change the form of consideration payable in the Offer (provided that nothing herein shall limit the ability of Parent and Purchaser to increase the cash consideration payable in the Offer), (C) decrease the maximum number of Shares sought to be purchased in the Offer, (D) impose conditions or requirements to the Offer in addition to the Offer Conditions, (E) amend, modify or waive the Minimum Condition, Termination Condition or the conditions set forth in clause (e) or (g) of Annex I, (F) otherwise amend or modify any of the other terms of the Offer in a manner that adversely affects, or would reasonably be expected to adversely affect any holder of Shares in its capacity as such, (G) terminate the Offer or accelerate, extend or otherwise change the Expiration Date, in each case, except as provided in Sections 1.1(c) or 1.1(d) or (H) provide any “subsequent offering period” (or any extension thereof) within the meaning of Rule 14d-11 promulgated under the Exchange Act. The Offer may not be withdrawn prior to the Expiration Date (or any rescheduled Expiration Date) of the Offer, unless this Agreement is terminated in accordance with Section 8.

(c) **Expiration and Extension of the Offer.** The Offer shall initially be scheduled to expire at one minute after 11:59 p.m. Eastern Time on the date that is 20 business days (determined as set forth in Rule 14d-1(g)(3) and Rule 14e-1(a) under the Exchange Act) following the Offer Commencement Date (unless otherwise agreed to in writing by Parent and the Company) (the “Initial Expiration Date”, and such date or such subsequent date to which the Initial Expiration Date of the Offer is extended in accordance with the terms of this Agreement, the “Expiration Date”). Notwithstanding anything to the contrary contained in this Agreement, but subject to the Parties’ respective termination rights under Section 8: (i) if, as of the then-scheduled Expiration Date, any Offer Condition is not satisfied (unless such condition is waivable by Purchaser or Parent and has been waived) Purchaser shall, and Parent shall cause Purchaser to, extend the Offer for additional periods of up to 10 business days per extension, to permit such Offer Condition to be satisfied; and (ii) Purchaser shall, and Parent shall cause Purchaser to, extend the Offer from time to time for any period required by any Legal Requirement, any interpretation or position of the SEC, the staff thereof or NASDAQ applicable to the Offer; *provided, however*, that in no event shall Purchaser (1) be required to extend the Offer beyond the earlier to occur of (x) the valid termination of this Agreement in accordance with Section 8 and (y) the End Date (such earlier occurrence, the “Extension Deadline”) or (2) be permitted to extend the Offer beyond the Extension Deadline without the prior written consent of the Company.

(d) **Termination of Offer.** Nothing in this Section 1.1 shall be deemed to impair, limit or otherwise restrict in any manner the right of the Company, Parent or Purchaser to terminate this Agreement pursuant to Section 8. In the event that this Agreement is validly terminated pursuant to Section 8, Purchaser shall (and Parent shall cause Purchaser to) immediately, irrevocably and unconditionally terminate the Offer and shall not acquire any Shares pursuant to the Offer. If the Offer is terminated or withdrawn by Purchaser in accordance with the terms of this Agreement, Purchaser shall immediately return, and shall cause any depository acting on behalf of Purchaser to return, in accordance with applicable Legal Requirements, all tendered Shares to the registered holders thereof.

(e) **Offer Documents.** As promptly as practicable on the Offer Commencement Date, Parent and Purchaser shall (i) file with the SEC a tender offer statement on Schedule TO with respect to the Offer (together with any exhibits, amendments or supplements thereto, the “Offer Documents”) that will contain or incorporate by reference the Offer to Purchase, form of the related letter of transmittal and summary advertisement, (ii) make all deliveries, mailings and telephonic notices required by Rule 14d-3 under the Exchange Act and (iii) cause the Offer to Purchase and related documents to be disseminated to holders of Shares as and to the extent required by applicable Legal Requirements. Parent and Purchaser agree that they shall cause the Offer Documents filed by either Parent or Purchaser with the SEC to (x) comply in all material respects with the Exchange Act and other applicable Legal Requirements and (y) not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided, however*, that no covenant is made by Parent or Purchaser with respect to information supplied by or on behalf of the Company for inclusion or incorporation by reference in the Offer Documents. Each of Parent, Purchaser and the Company agrees to respond promptly to any comments (including oral comments) of the SEC or its staff and to promptly correct any information provided by it for use in the Offer Documents if and to the extent that such information shall have become false or misleading in any material respect, and Parent and Purchaser further agree to take all steps necessary to promptly cause the Offer Documents as so corrected to be filed with the SEC and to be disseminated to holders of Shares, in each case as and to the extent required by applicable Legal Requirements. The Company hereby consents to the inclusion of the Company Board Recommendation in the Offer Documents. The Company shall promptly furnish or otherwise make available to Parent and Purchaser or Parent’s legal counsel all information concerning the Company and the Company’s stockholders that may be required or reasonably requested in connection with any action contemplated by this Section 1.1(e). The Company and its counsel shall be given reasonable opportunity to review and comment on the Offer Documents (including any response to any comments (including oral comments) of the SEC or its staff with respect thereto) prior to the filing thereof with the SEC, and Parent and Purchaser shall give reasonable consideration to any such comments made by the Company or its counsel. Parent and Purchaser agree to provide the Company and its counsel with any comments (including oral comments) Parent, Purchaser or their counsel may receive from the SEC or its staff with respect to the Offer Documents promptly after receipt of those comments (including oral comments).

(f) **Funds.** Without limiting the generality of Section 9.11, Parent shall cause to be provided to Purchaser, on a timely basis, all of the funds necessary to purchase all Shares that Purchaser becomes obligated to purchase pursuant to the Offer, and shall cause Purchaser to perform, on a timely basis, all of Purchaser's obligations under this Agreement.

(g) **Adjustments.** If, between the date of this Agreement and the Offer Acceptance Time, the outstanding Shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, then the Offer Price shall be appropriately adjusted.

(h) **Acceptance.** Subject only to the satisfaction or, to the extent waivable by Purchaser or Parent, waiver by Purchaser or Parent of each of the Offer Conditions, Purchaser shall (and Parent shall cause Purchaser to) (i) immediately after the Expiration Date irrevocably accept for payment all Shares tendered (and not validly withdrawn) pursuant to the Offer (the time of such acceptance, the "Offer Acceptance Time") and (ii) as promptly as practicable after the Offer Acceptance Time (and in any event within three business days) pay for such Shares.

1.2 Company Actions.

(a) **Schedule 14D-9.** Subject to Section 6.1(b), as promptly as practicable on the Offer Commencement Date, following the filing of the Offer Documents, the Company shall (i) file with the SEC a Tender Offer Solicitation/Recommendation Statement on Schedule 14D-9 (together with any exhibits, amendments or supplements thereto, the "Schedule 14D-9") that shall reflect the Company Board Recommendation and include the fairness opinion of the Company's financial advisor referenced in Section 3.23 and the notice and other information required by Section 262(d)(2) of the DGCL and (ii) cause the Schedule 14D-9 and related documents to be disseminated to holders of Shares as and to the extent required by applicable Legal Requirements, including by setting the Stockholder List Date as the record date for purposes of receiving the notice required by Section 262(d)(2) of the DGCL. The Company agrees that it shall cause the Schedule 14D-9 to (x) comply in all material respects with the Exchange Act and other applicable Legal Requirements and (y) not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading; *provided, however*, that no covenant is made by the Company with respect to information supplied by or on behalf of Parent or Purchaser for inclusion or incorporation by reference in the Schedule 14D-9. Each of Parent, Purchaser and the Company agrees to respond promptly to any comments (including oral comments) of the SEC or its staff and to promptly correct any information provided by it for use in the Schedule 14D-9 if and to the extent that such information shall have become false or misleading in any material respect, and the Company further agrees to take all steps necessary to promptly cause the Schedule 14D-9 as so corrected to be filed with the SEC and to be disseminated to holders of Shares, in each case as and to the extent required by applicable Legal Requirements. Parent and Purchaser shall promptly furnish or otherwise make available to the Company or the Company's legal counsel all information concerning Parent or Purchaser that may be required or reasonably requested in connection with any action contemplated by this Section 1.2(a). Parent and its counsel shall be given reasonable opportunity to review and comment on the Schedule 14D-9 (including any response to any comments (including oral comments) of the SEC or its staff with respect thereto) prior to the filing thereof with the SEC, and the Company shall give reasonable consideration to any such comments made by Parent or its counsel. The Company agrees to provide Parent and its counsel with any comments (including oral comments) the Company or its counsel may receive from the SEC or its staff with respect to the Schedule 14D-9 promptly after receipt of those comments (including oral comments).

(b) **Stockholder Lists.** The Company shall promptly after the date hereof furnish Parent with a list of its stockholders, mailing labels and any available listing or computer file containing the names and addresses of all record holders of Shares and lists of securities positions of Shares held in stock depositories, in each case as of the most recent practicable date, and shall provide to Parent such additional information (including updated lists of stockholders, mailing labels and lists of securities positions) and such other assistance as Parent may reasonably request in connection with the Offer and the Merger (the date of the list used to determine the Persons to whom the Offer Documents and the Schedule 14D-9 are first disseminated, which date shall not be more than 10 business days prior to the date the Offer Documents and the Schedule 14D-9 are first disseminated, the “Stockholder List Date”). Subject to applicable Legal Requirements, and except for such steps as are necessary to disseminate the Offer Documents and any other documents necessary to consummate the Transactions, Parent and Purchaser and their agents shall hold in confidence in accordance with the Confidentiality Agreement the information contained in any such labels, listings and files.

(c) **Share Registry.** The Company shall register (and shall instruct its transfer agent to register) the transfer of the Shares accepted for payment by Purchaser effective immediately after the Offer Acceptance Time.

SECTION 2

MERGER TRANSACTION

2.1 Merger of Purchaser into the Company. Upon the terms and subject to the conditions set forth in this Agreement and in accordance with Section 251(h) of the DGCL, at the Effective Time, the Company and Parent shall consummate the Merger, whereby Purchaser shall be merged with and into the Company, the separate existence of Purchaser shall cease, and the Company will continue as the Surviving Corporation.

2.2 Effect of the Merger. The Merger shall have the effects set forth in this Agreement and in the applicable provisions of the DGCL. Without limiting the generality of the foregoing, at the Effective Time, all of the property, rights, privileges, immunities, powers and franchises of the Company and Purchaser shall vest in the Surviving Corporation, and all of the debts, liabilities and duties of the Company and Purchaser shall become the debts, liabilities and duties of the Surviving Corporation.

2.3 Closing; Effective Time.

(a) Unless this Agreement shall have been terminated pursuant to Section 8, and unless otherwise mutually agreed in writing between the Company, Parent and Purchaser, the consummation of the Merger (the "Closing") shall take place at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, One Manhattan West, New York, New York 10001, as soon as practicable following (but in any event on the same date as) the Offer Acceptance Time except if the conditions set forth in Section 7.1 shall not be satisfied or, to the extent permitted by applicable Legal Requirements, waived as of such date, in which case the Closing shall take place on the first business day on which all conditions set forth in Section 7.1 are satisfied or, to the extent permitted by applicable Legal Requirements, waived, unless another date or place is agreed to in writing by the Company and Parent prior to the Offer Acceptance Time. The date on which the Closing occurs is referred to in this Agreement as the "Closing Date".

(b) Subject to the provisions of this Agreement, as soon as practicable on the Closing Date, the Company and Purchaser shall file or cause to be filed a certificate of merger with the Secretary of State of the State of Delaware with respect to the Merger, in such form as required by, and executed and acknowledged in accordance with, the relevant provisions of the DGCL, and the Parties shall take all such further actions as may be required by applicable Legal Requirements to make the Merger effective. The Merger shall become effective upon the date and time of the filing of that certificate of merger with the Secretary of State of the State of Delaware or such later date and time as is agreed upon in writing by the Parties and specified in the certificate of merger (such date and time, the "Effective Time").

2.4 Certificate of Incorporation and Bylaws; Directors and Officers.

(a) As of the Effective Time, the certificate of incorporation of the Company shall, by virtue of the Merger and without any further action, be amended and restated to read in its entirety as set forth on Annex II and, as so amended and restated, shall be the certificate of incorporation of the Surviving Corporation until thereafter changed or amended as provided therein or by applicable Legal Requirements, subject to Section 6.5(a).

(b) As of the Effective Time, the bylaws of the Surviving Corporation shall be amended and restated to conform to the bylaws of Purchaser as in effect immediately prior to the Effective Time, until thereafter changed or amended as provided therein or by applicable Legal Requirements, subject to Section 6.5(a), except that references to the name of Purchaser shall be replaced by references to the name of the Surviving Corporation.

(c) As of the Effective Time, the directors and officers of the Surviving Corporation shall be the respective individuals who served as the directors and officers of Purchaser as of immediately prior to the Effective Time, until their respective successors are duly elected and qualified, or their earlier death, resignation or removal. Each director of the Company immediately prior to the Effective Time shall execute and deliver a letter effectuating his or her resignation as a member of the Board of Directors to be effective as of the Effective Time.

2.5 Conversion of Shares.

(a) At the Effective Time, by virtue of the Merger and without any further action on the part of Parent, Purchaser, the Company or any stockholder of the Company:

(i) any Shares held immediately prior to the Effective Time by the Company (or held in the Company's treasury) shall be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor;

(ii) any Shares held immediately prior to the Effective Time by Parent, Purchaser or any other direct or indirect wholly owned Subsidiary of Parent shall be cancelled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor;

(iii) except as provided in clauses (i) and (ii) above and subject to Section 2.5(b), each Share outstanding immediately prior to the Effective Time, including any Shares subject to vesting or employment based forfeiture conditions ("Restricted Shares") (other than any Dissenting Shares, which shall have only those rights set forth in Section 2.7) shall be converted into the right to receive the Offer Price (the "Merger Consideration"), in each case without any interest thereon, without regard to any vesting or employment based forfeiture conditions which were applicable to the corresponding Restricted Shares and subject to any withholding of Taxes in accordance with Section 2.6(e); and

(iv) each share of the common stock, \$0.01 par value per share, of Purchaser then outstanding shall be converted into one share of common stock of the Surviving Corporation. From and after the Effective Time, subject to this Section 2.5(a), all Shares shall no longer be outstanding and shall automatically be cancelled and shall cease to exist, and each applicable holder of such Shares shall cease to have any rights with respect thereto, except the right to receive the Merger Consideration therefor upon the surrender of such shares of Company Common Stock in accordance with Section 2.6.

(b) If, between the date of this Agreement and the Effective Time, the outstanding Shares are changed into a different number or class of shares by reason of any stock split, division or subdivision of shares, stock dividend, reverse stock split, consolidation of shares, reclassification, recapitalization or other similar transaction, then the Merger Consideration shall be appropriately adjusted.

2.6 Surrender of Certificates; Stock Transfer Books.

(a) Prior to the Offer Acceptance Time, Parent shall designate a bank or trust company reasonably acceptable to the Company to act as agent (the “Depository Agent”) for the holders of Shares to receive the aggregate Offer Price to which holders of such Shares shall become entitled pursuant to Section 1.1(b) and to act as agent (the “Paying Agent”) for the holders of Shares to receive the aggregate Merger Consideration to which holders of such Shares shall become entitled pursuant to Section 2.5. Promptly after (and in any event no later than the third business day after) the Offer Acceptance Time, Parent shall deposit, or shall cause to be deposited, with the Depository Agent cash sufficient to make the payment of the aggregate Offer Price payable pursuant to Section 1.1(h). On or prior to the Closing Date, Parent shall deposit, or shall cause to be deposited, with the Paying Agent cash sufficient to pay the aggregate Merger Consideration payable pursuant to Section 2.5 (together with the amount deposited pursuant the immediately preceding sentence, the “Payment Fund”). The Payment Fund shall not be used for any purpose other than to pay the aggregate Offer Price in the Offer and the aggregate Merger Consideration in the Merger. The Payment Fund shall be invested by the Paying Agent as directed by the Surviving Corporation; *provided* that such investments shall be (w) in obligations of or guaranteed by the United States of America, (x) in commercial paper obligations rated A-1 or P-1 or better by Moody’s Investors Service, Inc. or Standard & Poor’s Corporation, respectively, (y) in certificates of deposit, bank repurchase agreements or banker’s acceptances of commercial banks with capital exceeding one billion dollars, or (z) in money market funds having a rating in the highest investment category granted by a recognized credit rating agency at the time of acquisition or a combination of the foregoing and, in any such case, no such instrument shall have a maturity exceeding three months. To the extent Parent becomes aware that (i) there are any losses with respect to any such investments or (ii) the Payment Fund has diminished for any reason below the level required for the Paying Agent to make prompt cash payment pursuant to Section 1.1(h) and Section 2.5, Parent shall, or shall cause the Surviving Corporation to, promptly replace or restore the cash in the Payment Fund so as to ensure that the Payment Fund is, at all times during the duration of the Payment Fund, maintained at a level sufficient for the Paying Agent to make such payments pursuant to Section 1.1(h) and Section 2.5.

(b) Promptly after the Effective Time (but in no event later than three business days thereafter), the Surviving Corporation shall cause to be delivered to each Person who was, at the Effective Time, a holder of record of (i) Shares represented by a certificate evidencing such Shares (the “Certificates”) or (ii) Book-Entry Shares, who, in each case was entitled to receive the Merger Consideration pursuant to Section 2.5, (A) a form of letter of transmittal, which shall be in reasonable and customary form and shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass, only upon proper delivery of the Certificates (or affidavits of loss in lieu thereof in accordance with Section 2.6(f), if applicable) to the Paying Agent, or a customary agent’s message in respect to Book-Entry Shares, and (B) instructions for use in effecting the surrender of the Certificates or Book-Entry Shares in exchange for the Merger Consideration issuable and payable in respect of such Shares pursuant to Section 2.5. Upon surrender to the Paying Agent of Certificates (or affidavits of loss in lieu thereof in accordance with Section 2.6(f), if applicable) or Book-Entry Shares, together with such letter of transmittal in the case of Certificates, duly completed and validly executed in accordance with the instructions thereto, and such other documents as may be required pursuant to the instructions, the holder of such Certificates or Book-Entry Shares shall be entitled to receive in exchange therefor the Merger Consideration for each Share formerly evidenced by such Certificates or Book-Entry Shares, and such Certificates and Book-Entry Shares shall then be cancelled. No interest shall accrue or be paid on the Merger Consideration payable upon the surrender of any Certificates or Book-Entry Shares for the benefit of the holder thereof. If the payment of any Merger Consideration is to be made to a Person other than the Person in whose name the surrendered Certificates formerly evidencing the Shares is registered on the stock transfer books of the Company, it shall be a condition of payment that the Certificate so surrendered shall be endorsed properly or otherwise be in proper form for transfer and that the Person requesting such payment shall have paid all transfer and other similar Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder of the Certificate surrendered, or shall have established to the satisfaction of Parent that such transfer or other similar Taxes either have been paid or are not applicable. None of Parent, Purchaser and the Surviving Corporation shall have any liability for the transfer and other similar Taxes described in this Section 2.6(b) under any circumstance. Payment of the applicable Merger Consideration with respect to Book-Entry Shares shall only be made to the Person in whose name such Book-Entry Shares are registered. Until surrendered as contemplated by this Section 2.6, each Certificate and Book-Entry Share shall be deemed at any time after the Effective Time to represent only the right to receive the applicable Merger Consideration as contemplated by Section 2.5.

(c) At any time following 12 months after the Effective Time, Parent shall be entitled to require the Paying Agent to deliver to it any funds (with respect to the aggregate Merger Consideration to which holders of Shares shall become entitled pursuant to Section 2.5) which had been made available to the Paying Agent and not disbursed to holders of Certificates or Book-Entry Shares (including all interest and other income received by the Paying Agent in respect of all funds made available to it), and, thereafter, such holders shall be entitled to look to the Surviving Corporation (subject to abandoned property, escheat and other similar Legal Requirements) only as general creditors thereof with respect to the Merger Consideration that may be payable upon due surrender of the Certificates or Book-Entry Shares held by them, without any interest thereon. Notwithstanding the foregoing, neither the Surviving Corporation nor the Paying Agent shall be liable to any holder of Certificates or Book-Entry Shares for the Merger Consideration delivered in respect of such share to a public official pursuant to any abandoned property, escheat or other similar Legal Requirements. Any amounts remaining unclaimed by such holders at such time at which such amounts would otherwise escheat to or become property of any Governmental Body shall become, to the extent permitted by applicable Legal Requirements, the property of the Surviving Corporation or its designee, free and clear of all claims or interest of any Person previously entitled thereto.

(d) At the close of business on the day of the Effective Time, the stock transfer books of the Company with respect to the Shares shall be closed and thereafter there shall be no further registration of transfers of Shares on the records of the Company. From and after the Effective Time, the holders of the Shares outstanding immediately prior to the Effective Time shall cease to have any rights with respect to such Shares except as otherwise provided herein or by applicable Legal Requirements. If, after the Effective Time, Certificates or Book-Entry Shares are presented to the Surviving Corporation for any reason, they shall be cancelled and exchanged as provided in this Agreement.

(e) Each of the Company, the Surviving Corporation, Parent and Purchaser, and their Affiliates, the Paying Agent or the Depository Agent, as the case may be, shall be entitled to deduct and withhold, or cause to be deducted and withheld, from any amounts otherwise payable pursuant to this Agreement, such amounts as are required to be deducted and withheld under any Legal Requirement with respect to Taxes. Any amounts so deducted and withheld and paid over to the applicable Governmental Body in accordance with applicable Legal Requirements shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction or withholding was made.

(f) If any Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the holder of the Shares formerly represented by that Certificate, or by a representative of that holder, claiming that Certificate to be lost, stolen or destroyed and, if required by the Surviving Corporation, the posting by that holder of a bond, in such reasonable amount as Parent may direct, as indemnity against any claim that may be made against it with respect to such Certificate (which shall not exceed the Merger Consideration payable with respect to such Certificate), the Paying Agent will pay (less any amounts entitled to be deducted or withheld pursuant to Section 2.6(e)), in exchange for such lost, stolen or destroyed Certificate, the applicable Merger Consideration to be paid in respect of the Shares formerly represented by such Certificate, as contemplated by this Section 2.

2.7 Dissenters' Rights. Notwithstanding anything in this Agreement to the contrary, Shares outstanding immediately prior to the Effective Time, and held by holders who are entitled to appraisal rights under Section 262 of the DGCL and have properly exercised and perfected their respective demands for appraisal of such Shares in the time and manner provided in Section 262 of the DGCL and, as of the Effective Time, have neither effectively withdrawn nor lost their rights to such appraisal and payment under the DGCL (the "Dissenting Shares"), shall not be converted into the right to receive Merger Consideration, but shall, by virtue of the Merger, be automatically cancelled and no longer outstanding, shall cease to exist and shall be entitled to only such consideration as shall be determined pursuant to Section 262 of the DGCL; *provided* that if any such holder shall have failed to perfect or shall have effectively withdrawn or lost such holder's right to appraisal and payment under the DGCL, such holder's Shares shall be deemed to have been converted as of the Effective Time into the right to receive the Merger Consideration (less any amounts entitled to be deducted or withheld pursuant to Section 2.6(e)), and such Shares shall not be deemed to be Dissenting Shares. The Company shall give prompt notice to Parent and Purchaser of any demands received by the Company for appraisal of any Dissenting Shares, withdrawals of such demands and any other instruments served pursuant to Section 262 of the DGCL, in each case prior to the Effective Time. Parent and Purchaser shall have the right to direct and participate in all negotiations and proceedings with respect to such demands, and the Company shall not, without the prior written consent of Parent and Purchaser, settle or offer to settle, or make any payment with respect to, any such demands, approve any withdrawal of any such demands or agree or commit to do any of the foregoing.

2.8 Treatment of Company Options.

(a) At the Effective Time, each Company Option that is then outstanding and unexercised, whether or not vested and which has a per share exercise price that is less than the Merger Consideration, shall be cancelled and converted into the right to receive a cash payment equal to (i) the excess of (A) the Merger Consideration over (B) the exercise price payable per Share under such Company Option, multiplied by (ii) the total number of Shares subject to such Company Option immediately prior to the Effective Time.

(b) As soon as reasonably practicable after the Effective Time (but in no event later than the second payroll date following the Effective Time), Parent shall cause the Surviving Corporation to, and the Surviving Corporation shall, pay the consideration payable pursuant to Section 2.8(a), net of any applicable withholding Taxes, to the holders of Company Options through, to the extent applicable, the Surviving Corporation's payroll.

(c) Prior to the Offer Acceptance Time, the Company shall take all actions that are necessary (under the Company Equity Plans and award agreements pursuant to which Company Options are outstanding or otherwise) to effect the transactions described in this Section 2.8.

2.9 Further Action. The Parties agree to take all necessary action to cause the Merger to become effective in accordance with this Section 2 as soon as practicable following the consummation of the Offer without a meeting of the Company's stockholders, as provided in Section 251(h) of the DGCL. If, at any time after the Effective Time, any further action is reasonably determined by Parent to be necessary or desirable to carry out the purposes of this Agreement or to vest the Surviving Corporation with full right, title and possession of and to all rights and property of Purchaser and the Company, the officers and directors of the Surviving Corporation and Parent shall be fully authorized (in the name of Purchaser, in the name of the Company and otherwise) to take such action.

SECTION 3

REPRESENTATIONS AND WARRANTIES OF THE COMPANY

The Company hereby represents and warrants to Parent and Purchaser as follows (it being understood that each representation and warranty contained in this Section 3 is subject to (a) exceptions and disclosures set forth in the section or subsection of the Company Disclosure Schedule corresponding to the particular Section or subsection in this Section 3; (b) any exception or disclosure set forth in any other section or subsection of the Company Disclosure Schedule to the extent it is reasonably apparent on the face of such disclosure that such exception or disclosure is applicable to qualify such representation and warranty; and (c) disclosure in the Company SEC Documents, and publicly available prior to the date of this Agreement (other than any general cautionary or forward-looking statements contained in the “Risk Factors” or “Forward-Looking Statements” sections of such Company SEC Documents); *provided* that this clause (c) shall not be applicable to Section 3.3 and Section 3.4):

The Board of Directors has (a) determined that this Agreement and the Transactions, including the Offer and the Merger, are fair to, and in the best interest of, the Company and its stockholders, (b) declared it advisable to enter into this Agreement, (c) approved the execution, delivery and performance by the Company of this Agreement and the consummation of the Transactions, including the Offer and the Merger, (d) resolved that the Merger shall be effected under Section 251(h) of the DGCL and (e) resolved to recommend that the stockholders of the Company accept the Offer and tender their Shares to Purchaser pursuant to the Offer, which resolutions, subject to Section 6.1, have not been subsequently withdrawn or modified in a manner adverse to Parent as of the date of this Agreement. This Agreement has been duly executed and delivered by the Company, and assuming due authorization, execution and delivery by Parent and Purchaser, this Agreement constitutes the legal, valid and binding obligation of the Company and is enforceable against the Company in accordance with its terms, except as such enforcement may be subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general applicability relating to or affecting creditors’ rights, and by general equitable principles. If the Merger is consummated in accordance with Section 251(h) of the DGCL as contemplated hereby, no vote of the Company’s stockholders or any holder of Shares is necessary to authorize or adopt this Agreement or to consummate the Transactions, assuming the accuracy of the representations set forth in Section 4.8.

3.5 SEC Filings; Financial Statements.

(a) Since January 1, 2018, the Company has filed or furnished on a timely basis all reports, schedules, forms, statements and other documents (including exhibits and all other information incorporated therein) required to be filed or furnished by the Company with the SEC (as supplemented, modified or amended since the time of filing, the “Company SEC Documents”). As of their respective dates, or, if amended prior to the date of this Agreement, as of the date of (and giving effect to) the last such amendment (and, in the case of registration statements and proxy statements, on the date of effectiveness and the dates of the relevant meetings, respectively), the Company SEC Documents complied in all material respects with the requirements of the Securities Act, the Exchange Act or the Sarbanes-Oxley Act of 2001, as amended (the “Sarbanes-Oxley Act”), as the case may be, and the rules and regulations of the SEC promulgated thereunder applicable to those Company SEC Documents, and, except to the extent that information contained in such Company SEC Document has been revised, amended, modified or superseded (prior to the date of this Agreement) by a later filed Company SEC Document, none of the Company SEC Documents when filed or furnished contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

(b) The financial statements (including any related notes and schedules) contained or incorporated by reference in the Company SEC Documents: (i) complied as to form in all material respects with the published rules and regulations of the SEC applicable thereto; (ii) were prepared in accordance with United States generally accepted accounting principles (“GAAP”) applied on a consistent basis throughout the periods covered (except as may be indicated in the notes to such financial statements or, in the case of unaudited interim financial statements, as may be permitted by the SEC on Form 10-Q, 8-K or any successor form under the Exchange Act); and (iii) fairly presented, in all material respects, the financial position of the Company as of the respective dates thereof and the results of operations and cash flows of the Company for the periods covered thereby (subject, in the case of the unaudited financial statements, to the absence of notes and to normal and recurring year-end adjustments that are not, individually or in the aggregate, material).

(c) The Company maintains a system of “internal control over financial reporting” (as defined in Rule 13a-15 under the Exchange Act), which is designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with GAAP, and includes those policies and procedures that: (i) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company; (ii) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in conformity with GAAP and that receipts and expenditures are being made only in accordance with authorizations of management and the Board of Directors; and (iii) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the assets of the Company that could have a material effect on its financial statements. The Company’s management has completed an assessment of the effectiveness of the Company’s system of internal control over financial reporting in compliance with the requirements of Section 404 of the Sarbanes-Oxley Act for the fiscal year ended December 31, 2019, and, except as set forth in the Company SEC Documents filed prior to the date of this Agreement, that assessment concluded that those controls were effective. To the knowledge of the Company, since January 1, 2020, neither the Company nor the Company’s independent registered accountant has identified or been made aware of: (1) any significant deficiency or material weakness in the design or operation of the internal control over financial reporting utilized by the Company, which is reasonably likely to adversely affect the Company’s ability to record, process, summarize and report financial information; or (2) any fraud, whether or not material, that involves the management or other employees of the Company who have a significant role in the Company’s internal control over financial reporting.

(d) The Company maintains disclosure controls and procedures as defined in and required by Rule 13a-15 or 15d-15 under the Exchange Act that are reasonably designed to ensure that all information required to be disclosed in the Company’s reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported within the time periods specified in the rules and forms of the SEC and that all such information is accumulated and communicated to the Company’s management as appropriate to allow timely decisions regarding required disclosure and to enable the principal executive officer of the Company and the principal financial officer of the Company to make the certifications required under the Exchange Act with respect to such reports. The Company is in compliance in all material respects with all current listing and corporate governance requirements of NASDAQ.

(e) The Company is not a party to, nor does it have any obligation or other commitment to become a party to, “off-balance sheet arrangements” (as defined in Item 303(a) of Regulation S-K under the Exchange Act) where the result, purpose or intended effect of such Contract is to avoid disclosure of any material transaction involving, or material liabilities of, the Company in the Company SEC Documents.

(f) As of the date of this Agreement, there are no outstanding or unresolved comments in comment letters received from the SEC with respect to the Company SEC Documents. To the knowledge of the Company, none of the Company SEC Documents is the subject of ongoing SEC review and there are no inquiries or investigations by the SEC or any internal investigations pending or threatened in writing, in each case regarding any accounting practices of the Company, except as has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(g) Each document required to be filed by the Company with the SEC in connection with the Offer, including the Schedule 14D-9 (the “Company Disclosure Documents”), and any amendments or supplements thereto, when filed, distributed or otherwise disseminated to the Company’s stockholders, as applicable, will comply as to form in all material respects with the applicable requirements of the Exchange Act. The Company Disclosure Documents, at the time of the filing of such Company Disclosure Documents or any supplement or amendment thereto with the SEC and at the time such Company Disclosure Documents or any supplements or amendments thereto are first distributed or otherwise disseminated to the Company’s stockholders, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(i) The information with respect to the Company that the Company furnishes to Parent or Purchaser specifically for use in the Offer Documents, at the time of the filing of and at the time of any distribution or dissemination of the Offer Documents, will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(ii) Notwithstanding the foregoing, the Company makes no representation with respect to statements made or incorporated by reference therein based on information supplied by or on behalf of Parent or Purchaser for inclusion or incorporation by reference in the Company Disclosure Documents.

(g) Section 3.17(g) of the Company Disclosure Schedule sets forth a list of each material Employee Plan (other than any employment or severance agreement for non-executive employees of the Company; equity grant notices, agreements and instruments that do not materially deviate from the forms delivered or made available to Parent prior to the execution of this Agreement in accordance with Section 3.17(l); and agreements with consultants entered into in the ordinary course of business consistent with past practice). The Company has either delivered or made available to Parent prior to the execution of this Agreement with respect to each Employee Plan listed on Section 3.17(g) of the Company Disclosure Schedule copies of: (i) all plan documents and all amendments thereto, and all related trust or other funding documents, (ii) the most recent annual actuarial valuation, if any, and the most recent annual report (Form Series 5500 and all schedules and financial statements attached thereto), (iii) all material correspondence to or from the IRS, the United States Department of Labor or any other Governmental Body with respect to an Employee Plan and (iv) the most recent determination letter received from the IRS with respect to the Employee Plan (if applicable).

(h) Neither the Company nor any other Person that would be or, at any relevant time, would have been considered a single employer with the Company under the Code or ERISA has ever sponsored, maintained, contributed to, or been required to contribute to a plan subject to Title IV of ERISA or Code Section 412, including any “single employer” defined benefit plan or any “multiemployer plan,” each as defined in Section 4001 of ERISA.

(i) Each of the Employee Plans that is intended to be qualified under Section 401(a) of the Code has obtained a favorable determination letter (or opinion letter, if applicable) as to its qualified status under the Code, and, to the knowledge of the Company, there are no existing circumstances or any events that have occurred that would reasonably be expected to affect materially and adversely the qualified status of any such Employee Plan. Each of the Employee Plans has been operated in compliance with its terms and all applicable Legal Requirements, including but not limited to ERISA and the Code, except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. To the knowledge of the Company, the Company is not and could not reasonably be expected to be subject to a liability pursuant to Section 502 of ERISA or a Tax imposed pursuant to Section 4975 or 4976 of the Code, except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. There are no pending, or, to the knowledge of the Company, threatened in writing or anticipated material claims by, on behalf of or with respect to any Employee Plan, by any employee or beneficiary covered under any such plan, or otherwise involving any such plan (other than routine claims for benefits), except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(j) Except to the extent required under Section 601 et seq. of ERISA or 4980B of the Code (or any other similar state or local Legal Requirement), or where the full cost of such benefit is borne entirely by the applicable individual (or his or her eligible dependents or beneficiaries), neither the Company nor any Employee Plan has any present or future obligation to provide post-employment welfare benefits to or make any payment to, or with respect to, any present or former employee, officer or director of the Company pursuant to any retiree medical benefit plan or other retiree welfare plan.

(k) Except as provided in Section 2.8, the consummation of the Transactions will not (either alone or in combination with other events or circumstances) (i) entitle any current or former employee, director, officer, independent contractor or other service provider of the Company to severance pay, unemployment compensation or any other payment, (ii) accelerate the time of payment or vesting, or increase the amount of, compensation or benefits due to any such employee, director, officer, independent contractor or (iii) directly or indirectly cause the Company to transfer or set aside any assets to fund any payments or benefits under any Employee Plan. No amounts payable under an Employee Plan will fail to be deductible due to the operation of Section 280G of the Code.

(l) The Company has delivered or made available to Parent copies of the Company Equity Plans and the forms of all agreements and instruments relating to or issued under the Company Equity Plans. Each outstanding Company Option has an exercise price equal to or above the fair market value on the date of grant (within the meaning of Section 409A of the Code) and is otherwise not subject to Section 409A of the Code.

(m) Each Employee Plan maintained for the benefit of any employee or service provider (or former employee or service provider) who performs services outside the United States is now and has been operated in material compliance with its terms and all applicable Legal Requirements, except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

3.18 Environmental Matters.

(a) The Company is and, since January 1, 2018, has been in compliance with all applicable Environmental Laws, which compliance includes obtaining, maintaining and complying with all Governmental Authorizations required under Environmental Laws for the operation of its business, except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Since January 1, 2018 through the date of this Agreement, except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, the Company has not received any written notice, report or other information of or entered into any legally binding agreement, order, settlement, judgment, injunction or decree involving uncompleted, outstanding or unresolved material violations, liabilities or requirements on the part of the Company relating to or arising under Environmental Laws.

(c) Except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, to the knowledge of the Company, there are and, since January 1, 2018, and have been no Hazardous Materials present or Releases on, at, under or from any property or facility, including the Leased Real Property.

3.19 Insurance. The Company has delivered or made available to Parent a copy of all material insurance policies relating to the business, assets and operations of the Company. Except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect, the Company maintains insurance coverage in such amounts and covering such risks as are in accordance with normal industry practice for companies in the biotechnology industry of similar size and stage of development. To the knowledge of the Company, all such insurance policies are in full force and effect, no notice of cancellation or material modification has been received (other than a notice in connection with ordinary renewals), and there is no existing default or event which, with the giving of notice or lapse of time or both, would constitute a default, by any insured thereunder except for such defaults as have not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect. There is no claim pending under any of the Company's insurance policies as to which coverage has been questioned, denied or disputed by the underwriters of such policies except for such claims as have not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

3.20 Legal Proceedings; Orders.

(a) As of the date of this Agreement, there are no material Legal Proceedings pending and served (or, to the knowledge of the Company, pending and not served or threatened in writing) against the Company or, to the knowledge of the Company, against any present or former officer, director or employee of the Company in such individual's capacity as such, except as has not had, or would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) As of the date of this Agreement, to the knowledge of the Company, there is no material order, writ, injunction or judgment to which the Company is subject that is reasonably likely to have a Material Adverse Effect.

(c) To the knowledge of the Company, as of the date of this Agreement, no material investigation or review by any Governmental Body with respect to the Company is pending or is being threatened in writing.

3.21 Takeover Laws. Assuming the accuracy of the representations and warranties of Parent and Purchaser set forth in Section 4.8, the Board of Directors has taken all actions necessary or appropriate, and will take after the date hereof, all actions that may be necessary or appropriate, so that the restrictions applicable to business combinations contained in Section 203 of the DGCL and any other Takeover Law are, and will be, to the extent such restrictions can be rendered inapplicable by action of the Board of Directors under Legal Requirements, inapplicable to the execution, delivery and performance of this Agreement and to the consummation of the Offer, the Merger and the other Transactions.

3.22 Non-Contravention; Consents.

(a) Assuming compliance with the applicable provisions of the DGCL, the HSR Act, any applicable filing, notification or approval in any foreign jurisdiction required by Antitrust Laws (if any), and the rules and regulations of the SEC and NASDAQ, the execution and delivery of this Agreement by the Company and the consummation of the Transactions will not: (i) cause a violation of any of the provisions of the certificate of incorporation or bylaws (or other organizational documents) of the Company; (ii) cause a violation by the Company of any Legal Requirement or order applicable to the Company, or to which the Company is subject; (iii) require any consent or notice under, conflict with, result in breach of, or constitute a default under (or an event that with notice or lapse of time or both would become a default), or give rise to any right of purchase, termination, amendment, cancellation, acceleration or other change of any right or obligation or the loss of any benefit to which the Company is entitled under any provision of any Material Contract; or (iv) result in an Encumbrance (other than a Permitted Encumbrance) on any of the property or assets of the Company, in the case of each of clauses (ii), (iii) and (iv) except as would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) Except for the filing of the certificate of merger with the Secretary of State of the State of Delaware or as may be required by the Exchange Act (including the filing with the SEC of the Schedule 14D-9 and such reports under the Exchange Act as may be required in connection with this Agreement and the Transactions), the DGCL, Takeover Laws, the HSR Act and any applicable filing, notification or approval in any foreign jurisdiction required by Antitrust Laws (if any) and the applicable rules and regulations of the SEC and any national securities exchange, the Company is not required to give notice to, make any filing with, or obtain any Consent from any Governmental Body at any time prior to the Closing in connection with the execution and delivery of this Agreement by the Company, or the consummation by the Company of the Merger or the other Transactions, except those that the failure to make or obtain would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

3.23 Opinion of Financial Advisor. The Board of Directors has received the written opinion of Centerview Partners LLC (the “Financial Advisor”), financial advisor to the Company, that, as of the date of such opinion, and based upon and subject to the various assumptions made, procedures followed, matters considered, and qualifications and limitations set forth therein, the \$95.50 Merger Consideration per Share to be paid to the holders of the Shares (except as otherwise provided in Sections 2.5(a)(i), 2.5(a)(ii) and 2.7 and other than any Shares held by any Affiliate of the Company or Parent) pursuant to this Agreement is fair, from a financial point of view, to such holders. The Company will make available to Parent solely for informational purposes and on a non-reliance basis, a signed copy of such opinion as soon as possible on or after the date of this Agreement.

3.24 Brokers and Other Advisors. Except for the Financial Advisor, no broker, finder, investment banker, financial advisor or other Person is entitled to any brokerage, finder’s, financial advisor’s or other similar fee or commission, or the reimbursement of expenses in connection therewith, in connection with the Transactions based upon arrangements made by or on behalf of the Company.

SECTION 4

REPRESENTATIONS AND WARRANTIES OF PARENT AND PURCHASER

Parent and Purchaser represent and warrant to the Company as follows:

4.1 Due Organization. Each of Parent and Purchaser is a corporation or other Entity duly organized, validly existing and in good standing under the laws of its jurisdiction of organization and has all necessary power and authority: (a) to conduct its business in the manner in which its business is currently being conducted; and (b) to own and use its assets in the manner in which its assets are currently owned and used, except where the failure has not had, and would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

4.2 Purchaser. Purchaser was formed solely for the purpose of engaging in the Transactions and activities incidental thereto and has not engaged, and prior to the Effective Time will not engage, in any business activities or conducted any operations other than in connection with the Transactions and those incident to Purchaser's formation. Either Parent or a wholly owned Subsidiary of Parent owns beneficially and of record all of the outstanding capital stock of Purchaser, free and clear of all Encumbrances and transfer restrictions, except for Encumbrances or transfer restrictions of general applicability as may be provided under the Securities Act or applicable securities laws.

4.3 Authority; Binding Nature of Agreement. Parent and Purchaser have the corporate power and authority to execute and deliver and perform their obligations under this Agreement and to consummate the Transactions. The board of directors of each of Parent and Purchaser have approved this Agreement and declared it advisable for Parent and Purchaser, respectively, to enter into this Agreement and approved the execution, delivery and performance by Parent and Purchaser of this Agreement and the consummation of the Transactions, including the Offer and the Merger. This Agreement has been duly executed and delivered by Parent and Purchaser, and assuming due authorization, execution and delivery by the Company, this Agreement constitutes the legal, valid and binding obligation of Parent and Purchaser and is enforceable against Parent and Purchaser in accordance with its terms, except as such enforcement may be subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and other similar laws of general applicability relating to or affecting creditors' rights, and by general equitable principles.

4.4 Non-Contravention; Consents.

(a) Assuming compliance with the applicable provisions of the DGCL, the HSR Act and any applicable filing, notification or approval in any foreign jurisdiction required by Antitrust Laws (if any), the execution and delivery of this Agreement by Parent and Purchaser, and the consummation of the Transactions, will not: (i) cause a violation of any of the provisions of the certificate of incorporation or bylaws (or other organizational documents) of Parent or Purchaser; (ii) cause a violation by Parent or Purchaser of any Legal Requirement or order applicable to Parent or Purchaser, or to which Parent or Purchaser are subject; or (iii) require any consent or notice under, conflict with, result in breach of, or constitute a default under (or an event that with notice or lapse of time or both would become a default), or give rise to any right of purchase, termination, amendment, cancellation, acceleration or other adverse change of any right or obligation or the loss of any benefit to which Parent or Purchaser is entitled under any provision of any Contract, except in the case of clauses (ii) and (iii), as would not reasonably be expected to have, individually or in the aggregate, a Parent Material Adverse Effect.

(b) Except for the filing of the certificate of merger with the Secretary of State of the State of Delaware or as may be required by the Exchange Act (including the filing with the SEC of the Offer Documents), Takeover Laws, the DGCL, the HSR Act and any applicable filing, notification or approval in any foreign jurisdiction required by Antitrust Laws (if any) and the applicable rules and regulations of the SEC and any national securities exchange, neither Parent nor Purchaser, nor any of Parent's other Affiliates, is required to give notice to, make any filing with or obtain any Consent from any Governmental Body at any time prior to the Closing in connection with the execution and delivery of this Agreement by Parent or Purchaser, or the consummation by Parent or Purchaser of the Offer, the Merger or the other Transactions, except those that the failure to make or obtain as would not, individually or in the aggregate, reasonably be expected to have a Parent Material Adverse Effect. No vote of Parent's or Purchaser's stockholders is necessary to approve this Agreement or any of the Transactions (except in the case of Purchaser as has been obtained prior to the execution hereof).

4.5 Disclosure. None of the Offer Documents will contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. None of the information with respect to Parent or Purchaser supplied or to be supplied by or on behalf of Parent or Purchaser or any of their Subsidiaries, specifically for inclusion or incorporation by reference in the Schedule 14D-9 will, (a) at the time such document is filed with the SEC, (b) at any time such document is amended or supplemented or (c) at the time such document is first published, sent or given to the Company's stockholders, contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading. For clarity, the representations and warranties in this Section 4.5 will not apply to statements or omissions included or incorporated by reference in the Offer Documents or the Schedule 14D-9 based upon information supplied to Parent by the Company or any of its Representatives on behalf of the Company specifically for inclusion therein.

4.6 Absence of Litigation. As of the date of this Agreement, there is no Legal Proceeding pending and served or, to the knowledge of Parent, pending and not served, against Parent or Purchaser, except as would not, and would not reasonably be expected to, individually or in the aggregate, have a Parent Material Adverse Effect. As of the date of this Agreement, neither Parent nor Purchaser is subject to any continuing order of, consent decree, settlement agreement or similar written agreement with, or continuing investigation by, any Governmental Body, or any order, writ, judgment, injunction, decree, determination or award of any Governmental Body, except as would not, and would not reasonably be expected to, individually or in the aggregate, have a Parent Material Adverse Effect.

4.7 Funds. Parent has and as of the Offer Acceptance Time will have, through cash, marketable investments and existing credit facilities, available funds in an amount sufficient to consummate the Transactions by payment in cash of the aggregate Offer Price, the aggregate Merger Consideration payable following the Effective Time and the aggregate amounts payable pursuant to the terms hereof to holders of Company Options.

4.8 Ownership of Shares. Except for any Shares acquired in the Offer, neither Parent nor any of Parent's Affiliates directly or indirectly owns, and at all times for the past three years, neither Parent nor any of Parent's Affiliates has owned, beneficially or otherwise, any Shares or any securities, Contracts or obligations convertible into or exercisable or exchangeable for Shares. Neither Parent nor Purchaser is, nor for the past three years has been, an "interested stockholder" of the Company under Section 203(c) of the DGCL.

4.9 Acknowledgement by Parent and Purchaser.

(a) Neither Parent nor Purchaser is relying, and neither Parent nor Purchaser has relied, on any representations or warranties whatsoever regarding the subject matter of this Agreement, express or implied, except for the representations and warranties in Section 3, including the Company Disclosure Schedule. Such representations and warranties by the Company constitute the sole and exclusive representations and warranties of the Company in connection with the Transactions and each of Parent and Purchaser understands, acknowledges and agrees that all other representations and warranties of any kind or nature whether express, implied or statutory are specifically disclaimed by the Company.

(b) In connection with the due diligence investigation of the Company by Parent and Purchaser and their respective Affiliates, stockholders or Representatives, Parent and Purchaser and their respective Affiliates, stockholders and Representatives have received and may continue to receive after the date hereof from the Company and its Affiliates, stockholders and Representatives certain estimates, projections, forecasts and other forward-looking information, as well as certain business plan information, regarding the Company and its businesses and operations. Parent and Purchaser acknowledge that there are uncertainties inherent in attempting to make such estimates, projections, forecasts and other forward-looking statements, as well as in such business plans, and that Parent and Purchaser will have no claim against the Company, or any of its Affiliates, stockholders or Representatives, or any other Person with respect thereto unless any such information is expressly included in a representation or warranty contained in this Agreement. Accordingly, Parent and Purchaser acknowledge and agree that neither the Company nor any of its Affiliates, stockholders or Representatives, nor any other Person, has made or is making any express or implied representation or warranty with respect to such estimates, projections, forecasts, forward-looking statements or business plans unless any such information is expressly included in a representation or warranty contained in this Agreement.

4.10 Brokers and Other Advisors. Except for Persons, if any, whose fees and expenses shall be paid by Parent or Purchaser, no broker, finder, investment banker, financial advisor or other Person is entitled to any brokerage, finder's, financial advisor's or other similar fee or commission, or the reimbursement of expenses in connection therewith, in connection with the Transactions based upon arrangements made by or on behalf of Parent, Purchaser, or any of their respective Subsidiaries.

SECTION 5

CERTAIN COVENANTS OF THE COMPANY

5.1 Access and Investigation.

(a) During the period from the date of this Agreement until the earlier of the Effective Time and the termination of this Agreement pursuant to Section 8 (the "Pre-Closing Period"), upon reasonable advance notice to the Company, the Company shall, and shall cause its Representatives to, provide Parent and Parent's Representatives with reasonable access during normal business hours of the Company to the Company's Representatives, designated personnel and assets and to all existing books, records, documents and information relating to the Company, and promptly provide Parent and Parent's Representatives with all reasonably requested information regarding the business of the Company and such additional financial, operating and other data and information regarding the Company, as Parent may reasonably request, in each case for any reasonable business purpose related to the consummation of the Transactions; *provided, however*, that any such access shall be conducted at Parent's expense, at a reasonable time, under the supervision of appropriate personnel of the Company and in such a manner as not to unreasonably interfere with the normal operation of the business of the Company. Any such access shall be subject to the Company's reasonable security measures and insurance requirements and shall not include invasive testing. Nothing herein shall require the Company to disclose any information to Parent if such disclosure would, in its reasonable discretion and after notice to Parent (i) jeopardize any attorney-client or other legal privilege (so long as the Company has reasonably cooperated with Parent to permit such inspection of or to disclose such information on a basis that does not waive such privilege with respect thereto), (ii) contravene any applicable Legal Requirement or Contract (so long as the Company has reasonably cooperated with Parent to permit disclosure to the extent permitted by Legal Requirements or the contractual counterparty); *provided, however*, in the case of clause (ii), that the Parties shall cooperate in seeking to find a way to allow disclosure of such information to the extent doing so could reasonably (in the good faith belief of the Company (after consultation with outside counsel)) be managed through the use of customary "clean room" arrangements pursuant to which non-employee Representatives of Parent could be provided access to such information. With respect to the information disclosed pursuant to this Section 5.1, Parent shall comply with, and shall instruct Parent's Representatives to comply with, all of its obligations under the Mutual Confidential Disclosure Agreement, effective as of January 7, 2020, between the Company and Parent (the "Confidentiality Agreement").

(b) (i) Subject to applicable Legal Requirements, each of the Company and Parent shall promptly notify the other of (A) any notice or other communication received by such Party from any Governmental Body in connection with this Agreement, the Offer, the Merger or the other Transactions, or from any Person alleging that the consent of such Person is or may be required in connection with the Offer, the Merger or the other Transactions; or (B) any Legal Proceeding commenced or, to any Party's knowledge, threatened in writing against, such Party or any of its Subsidiaries or otherwise relating to, involving or affecting such Party or any of its Subsidiaries, in each case in connection with, arising from or otherwise relating to the Offer, the Merger or any other Transaction.

(ii) (A) The Company shall give prompt notice to Parent of any change, circumstance, condition, development, effect, event, occurrence or state of facts that has had or would reasonably be expected to have a Material Adverse Effect, or would reasonably be expected to make the satisfaction of any of the Offer Conditions impossible or unlikely, and (B) Parent shall give prompt notice to the Company of any change, circumstance, condition, development, effect, event, occurrence or state of facts that has had or would reasonably be expected to have a Parent Material Adverse Effect, or would reasonably be expected to make the satisfaction of any of the Offer Conditions impossible or unlikely.

(iii) For the avoidance of doubt, the delivery of any notice pursuant to this Section 5.1(b) shall not cure any breach of any representation or warranty requiring disclosure of such matter prior to the date of this Agreement or otherwise limit or affect the remedies available hereunder to any Party. The failure to deliver any such notice shall not affect any Offer Condition or any of the conditions set forth in Section 7 or give rise to any right to terminate under Section 8.

5.2 Operation of the Company's Business. During the Pre-Closing Period, except (x) as expressly required by this Agreement or as required by applicable Legal Requirements or to the extent necessary to comply with any obligation under any Contracts made available to Parent on or prior to the date of this Agreement, (y) with the written consent of Parent (which consent shall not be unreasonably withheld, conditioned or delayed), or (z) as set forth in Section 5.2 of the Company Disclosure Schedule:

(a) the Company shall use commercially reasonable efforts to (i) conduct its business in the ordinary course consistent with past practice and (ii) preserve intact its material assets, properties, Contracts, licenses and business organization and to preserve satisfactory business relationships with licensors, licensees, lessors, Governmental Bodies and others having material business dealings with the Company; and

(b) the Company shall not:

(i) (A) establish a record date for, declare, set aside or pay any dividend or make any other distribution in respect of any shares of its capital stock (including the Shares), or (B) repurchase, redeem or otherwise reacquire any of the Shares, or any rights, warrants or options to acquire any of the Shares, other than: (1) repurchases of Shares outstanding as of the date hereof pursuant to the Company's right (under written commitments in effect as of the date hereof that have been delivered or made available to Parent) to purchase Shares held by a Company Associate in connection with the termination of such Person's employment or engagement by the Company; (2) cancellation of Company Options (or Shares issued upon the exercise thereof) outstanding on the date hereof pursuant to the terms of any such Company Option (in effect as of the date hereof) between the Company and a Company Associate or member of the Board of Directors upon termination of such Person's employment or engagement by the Company; or (3) in connection with withholding to satisfy the exercise price and/or Tax obligations with respect to Company Options in accordance with the present terms of such Company Option;

(ii) split, combine, subdivide or reclassify any Shares or other equity interests;

(iii) sell, issue, grant, deliver, pledge, transfer, encumber or authorize the sale, issuance, grant, delivery, pledge, transfer or encumbrance of (A) any capital stock, equity interest or other security, (B) any option, call, warrant, restricted securities, restricted stock unit or right to acquire any capital stock, voting securities, equity interest or other security or (C) any instrument convertible into, exchangeable for or settled in any capital stock, voting securities, equity interest or other security (except that the Company may issue Shares as required to be issued upon the exercise of Company Options outstanding as of the date of this Agreement in accordance with their present terms or pursuant to the terms of the Company ESPP in accordance with its present terms, but subject to Section 6.4);

(v) other than offers of employment or engagement made by the Company as of the date of this Agreement that has been made available to Parent, hire any employee or retain any consultant or promote any employee (other than non-executive employees in the ordinary course of business consistent with past practice with compensation generally consistent with similarly situated employees);

(vi) commence, alone or with any third party, any clinical trial in respect of any Product Candidate;

Prior to the Effective Time, each of Parent and the Company shall exercise, consistent with the terms and conditions hereof, complete control and supervision of its and its, if applicable, Subsidiaries' respective operations.

5.3 No Solicitation.

(a) Except as permitted by this Section 5.3, during the Pre-Closing Period the Company shall not, and shall cause its officers and directors not to, and shall use reasonable best efforts to cause its other Representatives not to, directly or indirectly, (i) continue any solicitation, knowing encouragement, discussions or negotiations with any Persons that may be ongoing with respect to an Acquisition Proposal; (ii) (A) solicit, initiate or knowingly facilitate or encourage (including by way of furnishing non-public information) any inquiries regarding, or the making of any proposal or offer that constitutes, or would reasonably be expected to lead to, an Acquisition Proposal (other than discussions solely to clarify the terms and conditions of such proposal or offer), (B) engage in, continue or otherwise participate in any discussions or negotiations regarding, or furnish to any other Person any non-public information in connection with, or for the purpose of soliciting or knowingly encouraging or facilitating, an Acquisition Proposal or any proposal or offer that would reasonably be expected to lead to an Acquisition Proposal (other than to state that the terms of this provision prohibit such discussion), (C) approve, adopt, endorse or recommend or enter into any letter of intent, acquisition agreement, agreement in principle or similar agreement with respect to an Acquisition Proposal or any proposal or offer that would reasonably be expected to lead to an Acquisition Proposal (other than an Acceptable Confidentiality Agreement) or (D) take any action to exempt any Person (other than Parent and its Subsidiaries) from the restrictions on “business combinations” or any similar provision contained in applicable Takeover Laws or the Company’s organizational and other governing documents; (iii) waive or release any Person from, forebear in the enforcement of, or amend any standstill agreement or any standstill provisions of any other Contract; or (iv) resolve or agree to do any of the foregoing. As promptly as reasonably practicable (and in any event within two business days) following the date hereof, the Company shall discontinue electronic or physical data room access granted, and request the prompt return or destruction (to the extent provided for by the applicable confidentiality agreement) of all information or documents previously furnished to any Person (other than Parent, its Affiliates and their respective Representatives) that has made, has indicated an intention to make an Acquisition Proposal and all material incorporating such information created by any such Person.

(b) If at any time on or after the date of this Agreement and prior to the Offer Acceptance Time the Company or any of its Representatives receives a *bona fide* written Acquisition Proposal from any Person or group of Persons, which Acquisition Proposal was made on or after the date of this Agreement and did not result from a material breach of this Section 5.3, and the Board of Directors determines in good faith, after consultation with its financial advisor and outside legal counsel, that such Acquisition Proposal constitutes or would reasonably be expected to result in a Superior Offer and that the failure to take such action described in clauses (x) and (y) below would be inconsistent with its fiduciary duties under applicable Legal Requirements, then, notwithstanding anything in Section 5.3(a) to the contrary, the Company and its Representatives may (x) furnish, pursuant to an Acceptable Confidentiality Agreement, information (including non-public information) with respect to the Company to the Person or group of Persons who has made such Acquisition Proposal, *provided* that the Company shall as promptly as practicable (and in any event within 36 hours) provide to Parent any information concerning the Company that is provided to any Person to the extent access to such information was not previously provided to Parent or its Representatives; and (y) engage in or otherwise participate in discussions or negotiations with the Person or group of Persons making such Acquisition Proposal; *provided*, in the case of clauses (x) and (y), that at or prior to the first time that the Company furnishes any information to or participates in any discussions or negotiations with any Person on or after the date of this Agreement, the Company shall provide written notice to Parent of such determination in good faith of the Board of Directors as provided for above.

(c) During the Pre-Closing Period, the Company shall (i) promptly (and in any event within 36 hours) notify Parent orally and in writing if any inquiries, proposals or offers with respect to, or that would reasonably be expected to lead to, an Acquisition Proposal are received by the Company or any of its Representatives and provide to Parent a copy of any written Acquisition Proposal (including any proposed term sheet, letter of intent, acquisition agreement or other agreement or other supporting materials with respect thereto) and a summary of any material unwritten terms and conditions thereof (and indicate the identity of such Person), and (ii) keep Parent reasonably informed of any material developments, discussions or negotiations regarding any Acquisition Proposal on a prompt basis (and in any event within 36 hours of such material development, discussion or negotiation).

(d) Nothing in this Section 5.3 or elsewhere in this Agreement shall prohibit the Company from disclosing to the stockholders of the Company any “stop, look and listen” communication pursuant to Rule 14d-9(f) promulgated under the Exchange Act or from taking and disclosing such other position or disclosure as is required under Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act or from taking any action necessary to comply with applicable Legal Requirements; *provided, however*, that, the Board of Directors shall not effect a Company Adverse Change Recommendation except in accordance with Section 6.1(b).

(e) The Company agrees that in the event any Representative of the Company acting on behalf of the Company takes any action that, if taken by the Company, would constitute a breach of this Section 5.3, the Company shall be deemed to be in breach of this Section 5.3.

SECTION 6

ADDITIONAL COVENANTS OF THE PARTIES

6.1 Company Board Recommendation.

(a) Subject to Section 6.1(b), the Company hereby consents to the inclusion of a description of the Company Board Recommendation in the Offer Documents. During the Pre-Closing Period, subject to Section 6.1(b), neither the Board of Directors nor any committee thereof shall (i) (A) withdraw or withhold (or modify or qualify in a manner adverse to Parent or Purchaser), or publicly propose to withdraw or withhold (or modify or qualify in a manner adverse to Parent or Purchaser), the Company Board Recommendation, (B) adopt, approve, recommend or declare advisable, or publicly propose to adopt, approve, recommend or declare advisable, any Acquisition Proposal, (C) after public announcement of an Acquisition Proposal (other than a tender offer or exchange offer), fail to publicly affirm the Company Board Recommendation within three business days after a written request by Parent to do so (or, if earlier, by the close of business on the business day immediately preceding the scheduled date of the Offer Acceptance Time), *provided*, that Parent may only make such request once with respect to any Acquisition Proposal (*provided*, that each time a Determination Notice is given Parent shall, subject to the following provision, be entitled to make a new such request); and *provided, further*, that the Company shall not be required to provide any such affirmation during the two or three business day periods, as applicable, following the giving of a Determination Notice, (D) following the commencement of a tender offer or exchange offer relating to the Shares by a Person unaffiliated with Parent, fail to publicly affirm the Company Board Recommendation and recommend that the Company’s stockholders reject such tender offer or exchange offer within 10 business days after the commencement of such tender offer or exchange offer pursuant to Rule 14d-9(f) promulgated under the Exchange Act (or, if earlier, by the close of business on the business day immediately preceding the scheduled date of the Offer Acceptance Time) or (E) fail to include the Company Board Recommendation in the Schedule 14D-9 when filed with the SEC or disseminated to the Company’s stockholders (any action described in this clause (i) being referred to as a “Company Adverse Change Recommendation”) or (ii) approve, recommend or declare advisable, or propose to approve, recommend or declare advisable, or cause or allow the Company to execute or enter into any Contract, letter of intent, memorandum of understanding, agreement in principle or term sheet with respect to, or that is intended to or would reasonably be expected to lead to, any Acquisition Proposal, or requiring, or reasonably expected to cause, the Company to abandon, terminate, delay or fail to consummate, or that would otherwise materially impede, interfere with or be inconsistent with, the Transactions (other than an Acceptable Confidentiality Agreement).

(b) Notwithstanding anything to the contrary contained in this Agreement, at any time prior to the Offer Acceptance Time, and subject to compliance with the other provisions of this Section 6.1:

(i) if the Company has received a *bona fide* written Acquisition Proposal from any Person that has not been withdrawn and after consultation with outside legal counsel and its financial advisor, the Board of Directors shall have determined, in good faith, that such Acquisition Proposal constitutes a Superior Offer, (x) the Board of Directors may make a Company Adverse Change Recommendation, or (y) provided that the Company is not in breach of Section 5.3 in any material respect and in a manner that led to such Acquisition Proposal and subject to the other provisions of Section 8.1(e), the Company may terminate this Agreement pursuant to Section 8.1(e) to enter into a Specified Agreement with respect to such Superior Offer, in each case, if and only if: (A) the Board of Directors determines in good faith, after consultation with the Company's outside legal counsel and its financial advisor, that the failure to do so would be inconsistent with the fiduciary duties of the Board of Directors under applicable Legal Requirements; (B) the Company shall have given Parent prior written notice of its intention to consider making a Company Adverse Change Recommendation or terminating this Agreement pursuant to Section 8.1(e) at least three business days prior to making any such Company Adverse Change Recommendation or termination (a "Determination Notice") (which notice shall not constitute a Company Adverse Change Recommendation or termination) and, if requested in writing by Parent during such three business day period, shall have negotiated, and caused its Representatives to negotiate, in good faith with respect to any revisions to the terms of this Agreement or another proposal to the extent proposed by Parent so that such Acquisition Proposal would cease to constitute a Superior Offer; and (C) (1) the Company shall have provided to Parent information with respect to such Acquisition Proposal in accordance with Section 5.3(c), as well as a copy of any acquisition agreement with respect to such Acquisition Proposal and a copy of any financing commitments relating thereto (or, if not provided in writing to the Company, a written summary of the material terms thereof), (2) the Company shall have given Parent the three business day period after the Determination Notice to propose revisions to the terms of this Agreement or make another proposal so that such Acquisition Proposal would cease to constitute a Superior Offer, and (3) after giving effect to the proposals made by Parent during such period, if any, after consultation with outside legal counsel and its financial advisor, the Board of Directors shall have determined, in good faith, that such Acquisition Proposal constitutes a Superior Offer and that the failure to make the Company Adverse Change Recommendation or terminate this Agreement pursuant to Section 8.1(e) would be inconsistent with the fiduciary duties of the Board of Directors under applicable Legal Requirements. Issuance of any "stop, look and listen" communication by or on behalf of the Company pursuant to Rule 14d-9(f) promulgated under the Exchange Act, taking and disclosing a position or otherwise making any disclosure as is required under Rule 14e-2(a), Rule 14d-9 or Item 1012(a) of Regulation M-A promulgated under the Exchange Act or otherwise complying with applicable Legal Requirements shall not, in and of itself, be considered a Company Adverse Change Recommendation and shall not require the giving of a Determination Notice or compliance with the procedures set forth in this Section 6.1. The provisions of this Section 6.1(b)(i) shall also apply to any change to any of the financial terms (including the form, amount and timing of payment of consideration) or other material amendment to any Acquisition Proposal and require a new Determination Notice (*provided* that for the purposes of such subsequent Determination Notice, all references to "three business days" shall be deemed to be "two business days"); and

(ii) other than in connection with a Superior Offer (which shall be subject to Section 6.1(b)(i)), the Board of Directors may make a Company Adverse Change Recommendation in response to an Intervening Event if: (A) the Board of Directors determines in good faith, after consultation with the Company's outside legal counsel and its financial advisor, that the failure to do so would be inconsistent with the fiduciary duties of the Board of Directors under applicable Legal Requirements; (B) the Company shall have given Parent a Determination Notice at least three business days prior to making any such Company Adverse Change Recommendation and, if desired by Parent, during such three business day period shall have negotiated, and caused its Representatives to negotiate, in good faith with respect to any revisions to the terms of this Agreement or another proposal to the extent proposed by Parent so that a Company Adverse Change Recommendation would no longer be necessary; and (C) (1) the Company shall have specified in reasonable detail the facts and circumstances that render a Company Adverse Change Recommendation necessary, (2) the Company shall have given Parent the three business day period after the Determination Notice to propose revisions to the terms of this Agreement or make another proposal so that a Company Adverse Change Recommendation would no longer be necessary, and (3) after giving effect to the proposals made by Parent during such period, if any, after consultation with outside legal counsel, the Board of Directors shall have determined, in good faith, that the failure to make the Company Adverse Change Recommendation would be inconsistent with the fiduciary duties of the Board of Directors under applicable Legal Requirements. The provisions of this Section 6.1(b)(ii) shall also apply to any material change to the facts and circumstances specified by the Company pursuant to clause (C)(1) above and require a new Determination Notice (*provided* that for the purposes of such subsequent Determination Notice, all references to "three business days" shall be deemed to be "two business days").

6.2 Filings, Consents and Approvals.

(a) The Parties agree to use their reasonable best efforts to take promptly any and all steps necessary to avoid or eliminate each and every impediment under the Antitrust Laws, that may be asserted by any Governmental Body, so as to enable the Closing to occur as promptly as practicable, but in no case later than the End Date, including providing as promptly as reasonably practicable and advisable all non-legally privileged information reasonably required by any Governmental Body pursuant to its evaluation of the Transactions under the HSR Act. Subject to the terms of this Section 6.2, the Parties shall use their reasonable best efforts to obtain from any Governmental Body all consents, approvals authorizations or orders required to be obtained under the Antitrust Laws or to avoid the entry or enactment of any injunction or other order or decree relating to any Antitrust Law that would delay, restrain, prevent, enjoin or otherwise prohibit consummation of the Transactions. Notwithstanding anything to the contrary in this Agreement, Parent and its Affiliates shall not be required to, and without the prior written consent of Parent the Company shall not, sell, license, divest or dispose of or hold separate (through the establishment of a trust or otherwise) or agree to any other structural, behavioral or conduct remedy, before or after the Offer Acceptance Time or the Effective Time, any entities, businesses, divisions, operations, products or product lines, assets, Intellectual Property Rights or businesses of Parent, the Company (or any of their respective Subsidiaries or other Affiliates) or agree to any restriction on the conduct of such businesses which (A) would materially and adversely affect the business of Parent and its Subsidiaries, taken as a whole, or (B) would require the sale, license, divestiture, disposal, or holding separate of, or any other structural, behavioral or conduct remedy involving the Product Candidates. Nothing in this Section 6.2 shall require the Parent or the Company to take or agree to take any action unless the effectiveness of such action is conditioned upon Closing. Notwithstanding the foregoing and any other provision of this Agreement to the contrary, in no event shall Parent, Purchaser, the Company or any of their respective Subsidiaries be obligated to litigate or participate in the litigation of any action, whether judicial or administrative, brought by any Governmental Body challenging or seeking to restrain, prohibit or place conditions on the consummation of the Transactions.

(b) Subject to the terms and conditions of this Agreement, each of the Parties shall (and shall cause their respective Affiliates, if applicable, to): (i) as promptly as reasonably practicable (but no later than 10 business days after the date of this Agreement), make an appropriate filing of all Notification and Report forms as required by the HSR Act, with respect to the Transactions and (ii) cooperate with each other in determining whether, and promptly preparing and making, any other filings, notifications or other consents are required to be made with, or obtained from, any other Governmental Bodies in connection with the Transactions.

(c) Without limiting the generality of anything contained in this Section 6.2, during the Pre-Closing Period, each Party shall (i) give the other Parties prompt notice of the making or commencement of any request, inquiry, investigation, action or Legal Proceeding brought by a Governmental Body or brought by a third party before any Governmental Body, in each case, with respect to the Transactions under the Antitrust Laws, (ii) keep the other Parties reasonably informed as to the status of any such request, inquiry, investigation, action or Legal Proceeding, (iii) promptly inform the other Parties of, and wherever practicable give the other party reasonable advance notice of, and the opportunity to participate in, any communication to or from the FTC, DOJ or any other Governmental Body in connection with any such request, inquiry, investigation, action or Legal Proceeding, (iv) promptly furnish to the other Party, subject to an appropriate confidentiality agreement to limit disclosure to counsel and outside consultants, with copies of documents provided to or received from any Governmental Body in connection with any such request, inquiry, investigation, action or Legal Proceeding (except that documents, including “4(c) and 4(d) documents” as that term is used under the HSR Act, that contain valuation information can be redacted), (v) subject to an appropriate confidentiality agreement to limit disclosure to counsel and outside consultants, and to the extent reasonably practicable, consult and cooperate with the other Parties and consider in good faith the views of the other Parties in connection with any written analysis, appearance, presentation, memorandum, brief, argument, opinion or proposal made or submitted in connection with any such request, inquiry, investigation, action or Legal Proceeding, and (vi) except as may be prohibited by any Governmental Body or by any Legal Requirement, in connection with any such request, inquiry, investigation, action or Legal Proceeding in respect of the Transactions, give the other Party reasonable prior notice and permit authorized Representatives of the other Party to be present at each meeting or conference, including by telephone, relating to such request, inquiry, investigation, action or Legal Proceeding and to have access to and be consulted in advance in connection with any argument, opinion or proposal made or submitted to any Governmental Body in connection with such request, inquiry, investigation, action or Legal Proceeding.

(d) During the Pre-Closing Period, the Company shall to the extent permissible under applicable Legal Requirements and reasonably practicable and where doing so would not reasonably be expected to impair or adversely affect the Company, any of its plans with respect to the Product Candidates or its ability to interact with any Governmental Body consistent with companies at similar stages of development in the pharmaceutical industry (in each case as determined in good faith by the Company) (i) offer Parent the opportunity to consult with the Company prior to any proposed material meeting or other material communication with the FDA, EMA, the Centers for Medicare & Medicaid Services (“CMS”) or any other Specified Governmental Body relating to any Product Candidate or material Governmental Authorization (it being understood that in no event shall the Company be required to delay or modify any of its actions as a result of this Section 6.2(d)), (ii) promptly inform Parent of, and provide Parent with a reasonable opportunity to review, in advance, any material filing proposed to be made by or on behalf of the Company, and any material correspondence or other material communication proposed to be submitted or otherwise transmitted to the FDA, EMA, CMS or any other Specified Governmental Body by or on behalf of the Company, in each case relating to any Product Candidate or material Governmental Authorization (it being understood that in no event shall the Company be required to delay any such filings, correspondence or communication), (iii) keep Parent reasonably informed of any material communication (written or oral) with or from the FDA, EMA, CMS or any other Specified Governmental Body or relating to any Product Candidate or Governmental Authorization and (iv) promptly inform Parent and provide Parent with a reasonable opportunity (but no more than two business days, to the extent practicable) to comment, in each case, prior to making any material change to any study protocol, adding any new trial, making any material change to a manufacturing plan or process, making any material change to a development timeline or initiating, or making any material change to, commercialization and reimbursement activities or materials (including promotional and marketing activities and materials) relating to any Product Candidate. The Company shall promptly notify Parent of any significant data relating to any Product Candidate, including information related to any significant adverse events with respect to any Product Candidate, in each case which it discovers after the date hereof.

(e) Neither Party shall enter into any agreement, transaction, or any agreement to effect any transaction (including any merger or acquisition) that would reasonably be expected to make it materially more difficult, or to materially increase the time required, to (i) obtain the expiration or termination of the waiting period under the HSR Act, (ii) avoid the entry of, the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction, temporary restraining order or other order that would materially delay or prevent the consummation of the transactions contemplated hereby, or (iii) obtain all authorizations, consents, orders and approvals of Governmental Bodies necessary for the consummation of the transactions contemplated hereby.

6.3 Employee Benefits.

(a) For a period commencing at the Effective Time and ending on the one year anniversary of the Effective Time, Parent shall provide, or cause to be provided, to those employees of the Company who are employed by the Company as of immediately prior to the Effective Time and who continue to be actively employed by the Surviving Corporation (or any Affiliate thereof) during such period (the “Continuing Employees”) with (i) the base salary or wage rate and annual cash bonus opportunities (excluding equity-based compensation opportunities) that are, in each case, no less than those provided by the Company immediately prior to the Offer Acceptance Time; (ii) retirement and welfare benefits that are no less favorable in the aggregate than those provided by the Company immediately prior to the Offer Acceptance Time; and (iii) severance benefits no less favorable than those provided to by the Company immediately prior to the Offer Acceptance Time.

(b) Parent agrees that all Continuing Employees shall be eligible to continue to participate in the Surviving Corporation’s health and welfare benefit plans (to the same extent such Continuing Employees were eligible to participate under the health and welfare benefit plans of the Company immediately prior to the Effective Time); *provided, however*, that (i) nothing in this Section 6.3 or elsewhere in this Agreement shall limit the right of Parent or the Surviving Corporation to amend or terminate any such health or welfare benefit plan at any time, subject to the requirements set forth in Section 6.3(a), and (ii) if Parent or the Surviving Corporation terminates any such health or welfare benefit plan (upon expiration of any appropriate transition period), then the Continuing Employees shall be eligible to participate in the Surviving Corporation’s (or an Affiliate’s) health and welfare benefit plans to the extent that coverage under such plans is replacing comparable coverage under an Employee Plan in which such Continuing Employee participated immediately before the Effective Time. To the extent that service is relevant under any benefit plan of Parent or an Affiliate and/or the Surviving Corporation, then Parent shall ensure that such benefit plan shall, for all purposes, credit Continuing Employees for service prior to the Effective Time with the Company and its Affiliates or their respective predecessors; *provided*, that, if such benefit plan replaces a benefit plan of the Company that recognized service for the same purpose, such service will be recognized to the same extent that such service was recognized prior to the Effective Time under the corresponding benefit plan of the Company. Nothing in this Section 6.3 or elsewhere in this Agreement shall be construed to create a right in any Person to employment with Parent, the Surviving Corporation or any other Affiliate of the Surviving Corporation and the employment of each Continuing Employee shall be “at will” employment.

(c) To the extent permitted under applicable Legal Requirements, with respect to any employee benefit plans maintained for the benefit of the Continuing Employees following the Effective Time, Parent shall, and shall cause the Surviving Corporation, any of its Affiliates, and any successor thereto, to (i) cause there to be waived any eligibility requirements or pre-existing condition limitations or waiting period requirements to the same extent waived or satisfied under comparable plans of the Company or its Subsidiaries, and (ii) give effect, in determining any deductible, co-insurance and maximum out-of-pocket limitations, amounts paid by such employees during the calendar year in which the Effective Time occurs under similar plans maintained by the Company.

(d) The provisions of this Section 6.3 are solely for the benefit of the Parties, and no provision of this Section 6.3 is intended to, or shall, constitute the establishment or adoption of or an amendment to any employee benefit plan for purposes of ERISA or otherwise, and no current or former employee or any other individual associated therewith shall be regarded for any purpose as a third party beneficiary of this Agreement or have the right to enforce the provisions hereof.

6.4 ESPP. As soon as reasonably practicable after the date of this Agreement, the Company shall take all necessary actions under the Company ESPP to provide that (a) the “Offering” (as defined in the Company ESPP) in effect as of the date of this Agreement shall be the final Offering (such period, the “Final Offering”) and no further Offering shall commence pursuant to the Company ESPP after the date of this Agreement, and (b) each individual participating in the Final Offering on the date of this Agreement shall not be permitted to (i) increase his or her payroll contribution rate pursuant to the Company ESPP from the rate in effect when the Final Offering commenced or (ii) make separate non-payroll contributions to the Company ESPP on or following the date of this Agreement, except as may be required by applicable Legal Requirement. Prior to the Offer Acceptance Time, the Company shall take all action that may be necessary to, effective upon the Offer Acceptance Time, (A) cause the Final Offering, to the extent that it would otherwise be ongoing at the Offer Acceptance Time, to be terminated no later than five business days prior to the date on which the Offer Acceptance Time occurs; (B) make any pro rata adjustments that may be necessary to reflect the Final Offering, but otherwise treat the Final Offering as a fully effective and completed Offering for all purposes pursuant to the Company ESPP; and (C) cause the exercise (as of no later than five business days prior to the date on which the Offer Acceptance Time occurs) of each outstanding purchase right pursuant to the Company ESPP. On such exercise date, the Company shall apply the funds credited as of such date pursuant to the Company ESPP within each participant’s payroll withholding account to the purchase of Shares in accordance with the terms of the Company ESPP, and each Share shall be an outstanding Share and entitled to the Merger Consideration. The Company shall adopt such resolutions as are necessary to terminate the Company ESPP effective as of immediately prior to, and conditional upon the occurrence of, the Offer Acceptance Time.

6.5 Indemnification of Officers and Directors.

(a) For a period of six years from the Effective Time, Parent agrees that all rights to indemnification, advancement of expenses and exculpation from liabilities for acts or omissions occurring at or prior to the Effective Time (whether asserted or claimed prior to, at or after the Effective Time) now existing in favor of the current or former directors or officers of the Company under the certificate of incorporation and bylaws of the Company and any indemnification or other similar agreements of the Company set forth on Section 6.5(a) of the Company Disclosure Schedule, in each case as in effect on the date of this Agreement, shall continue in full force and effect in accordance with their terms and shall not be amended, repealed or otherwise modified in any manner that would adversely affect the rights thereunder of any Indemnified Person (as defined below), and Parent shall cause the Company to perform its obligations thereunder. Without limiting the foregoing, during the period commencing at the Effective Time and ending on the sixth anniversary of the Effective Time, Parent shall cause the Surviving Corporation and its Subsidiaries to, and the Surviving Corporation agrees that it will, indemnify and hold harmless each individual who is as of the date of this Agreement, or who becomes prior to the Effective Time, a director or officer of the Company or who is as of the date of this Agreement, or who thereafter commences prior to the Effective Time, serving at the request of the Company as a director or officer of another Person (the “Indemnified Persons”), against all claims, losses, liabilities, damages, judgments, inquiries, fines and reasonable fees, costs and expenses, including attorneys’ fees and disbursements, incurred in connection with any claim, action, suit or proceeding, whether civil, criminal, administrative or investigative (including with respect to matters existing or occurring at or prior to the Effective Time, including this Agreement and the transactions and actions contemplated hereby), arising out of or pertaining to the fact that the Indemnified Person is or was a director or officer of the Company or is or was serving at the request of the Company as a director or officer of another Person, whether asserted or claimed prior to, at or after the Effective Time, to the fullest extent permitted under applicable Legal Requirements. In the event of any such claim, action, suit or proceeding, (x) each Indemnified Person will be entitled to advancement of expenses incurred in the defense of any such claim, action, suit or proceeding from Parent, the Surviving Corporation or its Subsidiaries, as applicable, in accordance with the organizational documents and any indemnification or other similar agreements of the Surviving Corporation or its Subsidiaries, as applicable, as in effect on the date of this Agreement; *provided* that any Indemnified Person to whom expenses are advanced provides an undertaking, if and only to the extent required by the DGCL or the Surviving Corporation’s or any of its Subsidiaries’ certificate of incorporation or bylaws (or comparable organizational documents) or any such indemnification or other similar agreements, as applicable; to repay such advances if it is ultimately determined by final adjudication that such Indemnified Person is not entitled to indemnification and (y) Parent, the Surviving Corporation and its Subsidiaries, as applicable, shall reasonably cooperate in the defense of any such matter.

(b) For a period of six years from and after the Effective Time, Parent and the Surviving Corporation shall either cause to be maintained in effect the current policies of directors' and officers' liability insurance maintained by the Company or provide substitute policies for the Company and its current and former directors and officers who are currently covered by the directors' and officers' insurance coverage currently maintained by the Company, in either case, of not less than the existing coverage and having other terms not less favorable to the insured persons than the directors' and officers' liability insurance coverage currently maintained by the Company with respect to claims arising from facts or events that occurred at or before the Effective Time (with insurance carriers having at least an "A" rating by A.M. Best with respect to directors' and officers' liability insurance), except that in no event shall Parent or the Surviving Corporation be required to pay with respect to such insurance policies an annual premium greater than 300% of the aggregate annual premium most recently paid by the Company prior to the date of this Agreement (the "Maximum Amount"), and if the Surviving Corporation is unable to obtain the insurance required by this Section 6.5(b) it shall obtain as much comparable insurance as possible for the years within such six year period for a premium equal to the Maximum Amount. In lieu of such insurance, prior to the Closing Date the Company may purchase a "tail" directors' and officers' liability insurance policy for the Company and its current and former directors and officers who are currently covered by the directors' and officers' liability insurance coverage currently maintained by the Company, such tail to provide coverage in an amount not less than the existing coverage and to have other terms not less favorable to the insured persons than the directors' and officers' liability insurance coverage currently maintained by the Company with respect to claims arising from facts or events that occurred at or before the Effective Time; *provided* that in no event shall the cost of any such tail policy exceed the Maximum Amount. Parent and the Surviving Corporation shall maintain such policies in full force and effect, and continue to honor the obligations thereunder.

(c) In the event that the Company or any of its successors or assigns (i) consolidates with or merges into any other Person and is not the continuing or surviving corporation or Entity of such consolidation or merger or (ii) transfers or conveys all or substantially all of its properties and assets to any Person, then, and in each such case, the Company, as applicable, shall cause proper provision to be made so that the successors and assigns of the Company assume the obligations set forth in this Section 6.5.

(d) The provisions of this Section 6.5 (i) shall survive the acceptance of Shares for payment pursuant to the Offer and the consummation of the Merger and (ii) are intended to be for the benefit of, and will be enforceable by, each indemnified or insured party (including the Indemnified Persons), his or her heirs, successors, assigns and representatives, and (iii) are in addition to, and not in substitution for, any other rights to indemnification, advancement of expenses, exculpation or contribution that any such Person may have by contract or otherwise. Unless required by applicable Legal Requirement, this Section 6.5 may not be amended, altered or repealed after the Offer Acceptance Time in such a manner as to adversely affect the rights of any Indemnified Person or any of their successors, assigns or heirs without the prior written consent of the affected Indemnified Person.

6.6 Stockholder Litigation. In the event that any litigation related to this Agreement, the Offer, the Merger or the other Transactions is brought by any stockholder or other holder of Company securities (whether directly or on behalf of the Company or otherwise) against the Company and/or its directors or officers, the Company shall promptly notify Parent and shall keep Parent reasonably and promptly informed with respect to the status thereof. The Company shall give Parent the (a) opportunity to participate in the defense of any such litigation, (b) right to review and comment on all material filings or responses to be made by the Company in connection with such litigation (and shall give due consideration to Parent's comments and other advice with respect to such litigation) and (c) right to consult on any settlement with respect to such litigation, and no such settlement shall be agreed to without Parent's prior written consent, such consent not to be unreasonably withheld; *provided, however*, that in no event shall Parent be required to consent (such consent not to be unreasonably withheld, conditioned or delayed) to any such settlement that does not provide for the unconditional release of Parent, its Affiliates and Representatives and all Persons entitled to indemnification by Parent or the Company, in each case from any liability in connection with such litigation; *provided further*, that the Company shall otherwise control the defense and/or settlement and the disclosure of information in connection therewith shall be subject to the provisions of Section 5.1, including regarding attorney-client privilege or other applicable legal privilege.

6.7 Additional Agreements. Subject to the terms and conditions of this Agreement, including Section 6.2(a), Parent and the Company shall use reasonable best efforts to take, or cause to be taken, all actions necessary to consummate the Offer and the Merger and make effective the other Transactions. Without limiting the generality of the foregoing, subject to the terms and conditions of this Agreement, each Party to this Agreement shall use commercially reasonable efforts to (a) make all filings (if any) and give all notices (if any) required to be made and given by such Party pursuant to any Material Contract in connection with the Offer and the Merger and the other Transactions to the extent requested in writing by Parent, (b) seek each Consent (if any) required to be obtained pursuant to any Material Contract by such Party in connection with the Transactions to the extent requested in writing by Parent; *provided, however*, each of the Parties acknowledges and agrees that obtaining any such consent or approval shall not, in and of itself, be a condition to the Offer or the Merger and (c) seek to lift any restraint, injunction or other legal bar to the Offer or the Merger brought by any third Person against such Party. Notwithstanding anything in this Section 6.7 to the contrary, neither Parent, the Company nor any of their respective Subsidiaries shall be required to pay any consent or other similar fee, payment or consideration, make any other concession or provide any additional security (including a guaranty), to obtain any third party consents.

6.8 Disclosure. The initial press release relating to this Agreement shall be a joint press release issued by the Company and Parent, and thereafter Parent and the Company shall consult with each other before issuing any further press release(s) or otherwise making any public statement or making any announcement to Company Associates (to the extent not previously issued or made in accordance with this Agreement) with respect to the Offer, the Merger, this Agreement or any of the other Transactions and shall not issue any such press release, public statement or announcement to Company Associates without the other Party's written consent. Notwithstanding the foregoing: (a) each Party may, without such consultation or consent, make any public statement in response to questions from the press, analysts, investors or those attending industry conferences, make internal announcements to employees and make disclosures in Company SEC Documents, so long as such statements substantially reiterate (and are not inconsistent with) previous press releases, public disclosures or public statements made jointly by the Parties (or individually, if approved by the other Party); (b) a Party may, without the prior consent of the other Party but subject to giving advance notice to the other Party and consulting with the other Party with respect to the content thereof, issue any such press release or make any such public announcement or statement that, after consultation with outside legal counsel, is determined to be required by Legal Requirement; (c) the Company need not consult with Parent in connection with such portion of any press release, public statement or filing to be issued or made pursuant to Section 5.3(d); and (d) neither Party need consult with the other in connection with such portion of any press release, public statement or filing to be issued with respect to any Acquisition Proposal or Company Adverse Change Recommendation (but without limiting the Company's obligations under Section 5.3 or Section 6.1).

6.9 Takeover Laws. If any Takeover Law may become, or may purport to be, applicable to the Transactions, each of Parent and the Company and the members of their respective Boards of Directors shall use their respective reasonable best efforts to grant such approvals and take such actions as are necessary so that the Transactions may be consummated as promptly as practicable on the terms and conditions contemplated hereby and otherwise act to lawfully eliminate the effect of any Takeover Law on any of the Transactions.

6.10 Section 16 Matters. The Company, and the Board of Directors (or a duly formed committee thereof consisting of non-employee directors (as such term is defined for the purposes of Rule 16b-3 promulgated under the Exchange Act)), shall, to the extent necessary, take appropriate action, prior to or as of the Offer Acceptance Time, to approve, for purposes of Section 16(b) of the Exchange Act, the disposition and cancellation or deemed disposition and cancellation of Shares and Company Options in the Merger by applicable individuals and to cause such dispositions and/or cancellations to be exempt under Rule 16b-3 promulgated under the Exchange Act.

6.11 Rule 14d-10 Matters. Prior to the Offer Acceptance Time and to the extent permitted by applicable Legal Requirements, the compensation committee of the Board of Directors, at a meeting duly called and held, will approve, as an “employment compensation, severance or other employee benefit arrangement” within the meaning of Rule 14d-10(d)(2) under the Exchange Act, each agreement, arrangement or understanding between Purchaser, the Company or their respective Affiliates and any of the officers, directors or employees of the Company that are effective as of the date of this Agreement or are entered into after the date of this Agreement and prior to the Offer Acceptance Time pursuant to which compensation is paid to such officer, director or employee and will take all other action reasonably necessary to satisfy the requirements of the non-exclusive safe harbor set forth in Rule 14d-10(d)(2) under the Exchange Act. Promptly upon Parent or any of its Affiliates entering into any such arrangement with any of the officers, directors or employees of the Company, Parent will provide to the Company any and all information concerning such arrangements as may be needed by the Company to comply with this Section 6.11.

6.12 Stock Exchange Delisting; Deregistration. Prior to the Closing Date, the Company shall cooperate with Parent and use its reasonable best efforts to take, or cause to be taken, all actions, and do or cause to be done all things, reasonably necessary, proper or advisable on its part under applicable laws and rules and policies of NASDAQ to enable the delisting by the Surviving Corporation of the Shares from NASDAQ and the deregistration of the Shares under the Exchange Act as promptly as practicable after the Effective Time.

6.13 401(k) Plan. To the extent requested in writing by Parent at least 10 days prior to the Offer Acceptance Time, the Company shall take all actions that may be necessary under the Company’s 401(k) plan to terminate the Company’s 401(k) plan at least one day prior to the Effective Time. If the Company terminates the Company’s 401(k) plan in accordance with the preceding sentence, (1) prior to the Effective Time and thereafter (as applicable), the Company and Parent shall take any and all actions as may be required, including amendments to the Company’s 401(k) plan and/or the tax-qualified defined contribution retirement plan designated by Parent (the “Parent 401(k) Plan”) to permit each Continuing Employee to make rollover contributions of “eligible rollover distributions” (within the meaning of Section 401(a)(31) of the Code, including of loans) in the form of cash, or notes (in the case of loans) or a combination thereof, in an amount equal to the full account balance distributed or distributable to such Continuing Employee from the Company 401(k) plan to the Parent 401(k) Plan and (2) each Continuing Employee shall become a participant in the Parent 401(k) Plan on the Closing Date (giving effect to the service crediting provisions of Section 6.3(b)); it being agreed that there shall be no gap in participation in a tax-qualified defined contribution plan.

SECTION 7

CONDITIONS PRECEDENT TO THE MERGER

The obligations of the Parties to effect the Merger are subject to the satisfaction or, to the extent permitted by applicable Legal Requirements, waiver as of the Closing of each of the following conditions:

7.1 No Restraints. There shall not have been issued by any Governmental Body of competent jurisdiction in any jurisdiction in which Parent or the Company has material business operations, and remain in effect, any temporary restraining order, preliminary or permanent injunction or other order preventing the consummation of the Merger, nor shall any Legal Requirement have been promulgated, enacted, issued or deemed applicable to the Merger by any Governmental Body in any jurisdiction in which Parent or the Company has material business operations, which prohibits or makes illegal the consummation of the Merger.

7.2 Consummation of Offer. Purchaser (or Parent on Purchaser's behalf) shall have accepted for payment all of the Shares validly tendered pursuant to the Offer and not validly withdrawn.

SECTION 8

TERMINATION

8.1 Termination. This Agreement may be terminated prior to the Offer Acceptance Time:

(a) by mutual written consent of Parent and the Company;

(b) by either Parent or the Company, if the Closing shall not have occurred on or prior to midnight Eastern Time, on June 1, 2020 (the "End Date"); *provided, however*, that in the case of this Section 8.1(b), (i) if on the End Date all of the conditions set forth in Annex I, other than clause (e) or (g) (solely in respect of the HSR Act) set forth in Annex I shall have been satisfied or waived by Parent or Purchaser, to the extent waivable by Parent or Purchaser (other than conditions that by their nature are to be satisfied at the Offer Acceptance Time, each of which is then capable of being satisfied), then the End Date shall automatically be extended by a period of ninety (90) days (and all references to the End Date herein and in Annex I shall be as so extended) and (ii) the right to terminate this Agreement pursuant to this Section 8.1(b) shall not be available to any Party whose willful and material breach of covenants in this Agreement has caused or resulted in the Offer not being consummated by such date;

(c) by either Parent or the Company if a Governmental Body of competent jurisdiction shall have issued an order, injunction, decree or ruling, or shall have taken any other action, having the effect of permanently restraining, enjoining or otherwise prohibiting the acceptance for payment of Shares pursuant to the Offer or the Merger or making the consummation of the Offer or the Merger illegal, which order, decree, ruling or other action shall be final and nonappealable; *provided, however*, that the right to terminate this Agreement pursuant to this Section 8.1(c) shall not be available to any Party whose material breach of this Agreement has caused or resulted in such final and nonappealable order, injunction, decree, ruling or other action;

(d) by Parent, if the Board of Directors shall have effected a Company Adverse Change Recommendation;

(e) by the Company, if the Board of Directors has made a Company Adverse Change Recommendation in order to accept a Superior Offer (in compliance with the terms of this Agreement, including Section 6.1(b)) and concurrently enter into a binding written definitive acquisition agreement providing for the consummation of a transaction for a Superior Offer (a “Specified Agreement”); *provided* that (i) neither the Company nor any of its officers or directors shall have violated Section 5.3 in any material respect, (ii) the Company and the Board of Directors shall have complied with Section 6.1(b) and (iii) the Company shall have paid the Termination Fee immediately before or simultaneously with and as a condition to such termination;

(f) by Parent, if a breach of any representation or warranty contained in this Agreement or failure to perform any covenant or obligation in this Agreement on the part of the Company shall have occurred such that a condition set forth in clause (b) or (c) of Annex I would not be satisfied and cannot be cured by the Company by the End Date, or if capable of being cured in such time period, shall not have been cured within forty-five (45) days of the date Parent gives the Company written notice of such breach or failure to perform; *provided, however*, that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(f) if either Parent or Purchaser is then in material breach of any representation, warranty, covenant or obligation hereunder; or

(g) by the Company, if (i) a breach of any representation or warranty contained in this Agreement or failure to perform any covenant or obligation in this Agreement on the part of Parent or Purchaser shall have occurred, in each case, if such breach or failure would reasonably be expected to prevent Parent or Purchaser from consummating the Offer and the Merger and such breach or failure cannot be cured by Parent or Purchaser, as applicable, by the End Date, or, if capable of being cured in such time period, shall not have been cured within forty-five (45) days of the date the Company gives Parent written notice of such breach or failure to perform; *provided, however*, that the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(g) if the Company is then in material breach of any representation, warranty, covenant or obligation hereunder or (ii) Purchaser fails to commence the Offer on or prior to the 10th business day following the date of this Agreement or if Purchaser fails to consummate the Offer in accordance with the terms of this Agreement.

8.2 Effect of Termination. In the event of the termination of this Agreement as provided in Section 8.1, written notice thereof shall be given to the other Party or Parties, specifying the provision hereof pursuant to which such termination is made, and this Agreement shall be of no further force or effect and there shall be no liability on the part of Parent, Purchaser or the Company or any of their respective former, current or future officers, directors, partners, stockholders, managers, members or Affiliates following any such termination; *provided, however*, that (a) the final sentence of Section 1.2(b), the final sentence of Section 5.1(a), this Section 8.2, Section 8.3 and Section 9 (other than Section 9.5(b)) shall survive the termination of this Agreement and shall remain in full force and effect, (b) the Confidentiality Agreement shall survive the termination of this Agreement and shall remain in full force and effect in accordance with its terms and (c) except as set forth in Section 8.3, the termination of this Agreement shall not relieve any Party from any liability for fraud or willful and material breach of this Agreement prior to termination.

8.3 Expenses; Termination Fees.

(a) Except as set forth in this Section 8.3, all fees and expenses incurred in connection with this Agreement and the Transactions shall be paid by the Party incurring such expenses, whether or not the Offer and Merger are consummated.

(b) In the event that:

(i) this Agreement is terminated by the Company pursuant to Section 8.1(e), the Company shall pay to Parent or its designee the Termination Fee by wire transfer of same day funds prior to or simultaneously with (and as a condition to the effectiveness of) such termination;

(ii) this Agreement is terminated by Parent pursuant to Section 8.1(d), the Company shall pay to Parent or its designee the Termination Fee by wire transfer of same day funds within one business day after such termination; or

(iii) (x) this Agreement is terminated by Parent or the Company pursuant to Section 8.1(b) (but in the case of a termination by the Company, only if at such time Parent would not be prohibited from terminating this Agreement pursuant to the proviso to Section 8.1(b)) or by Parent pursuant to Section 8.1(f) resulting from a willful and material breach of any covenant in this Agreement, (y) any Person shall have publicly disclosed a *bona fide* Acquisition Proposal, or such Acquisition Proposal has otherwise been communicated to the Board of Directors or the Company's stockholders and shall have become publicly known, after the date hereof and prior to such termination and such Acquisition Proposal has not been unconditionally withdrawn prior to such termination and (z) within twelve (12) months of such termination the Board of Directors shall have approved or recommended any Acquisition Proposal (regardless of when made), and the Company shall have entered into a definitive agreement with respect to such Acquisition Proposal, which shall have been consummated (*provided* that for purposes of this clause (z) the references to "20%" in the definition of "Acquisition Proposal" shall be deemed to be references to "50%"), the Company shall pay to Parent or its designee the Termination Fee by wire transfer of same day funds prior to the consummation of such Acquisition Proposal.

(c) It is understood that in no event shall the Company be required to pay the Termination Fee on more than one occasion. As used herein, "Termination Fee" shall mean a cash amount equal to \$160,000,000. In any circumstance in which the Termination Fee becomes due and payable and is paid by the Company in accordance with this Section 8.3, the Termination Fee shall be deemed to be liquidated damages for, and the sole and exclusive monetary remedy available to Parent and Purchaser in connection with, any and all losses or damages suffered or incurred by Parent, Purchaser, any of their respective Affiliates or any other Person in connection with this Agreement (collectively, "Parent Related Parties") (and the termination hereof), the Transactions (and the abandonment thereof) or any matter forming the basis for such termination, and none of Parent, Purchaser or any of their respective Affiliates shall be entitled to bring or maintain any claim, action or proceeding against the Company or any of its Affiliates arising out of or in connection with this Agreement, any of the Transactions or any matters forming the basis for such termination. For the avoidance of doubt, Parent and Purchaser may seek specific performance to cause the Company to consummate the Transactions in accordance with Section 9.5 or the payment of the Termination Fee pursuant to this Section 8.3(c), but in no event shall Parent or Purchaser be entitled to both (i) specific performance to cause the Company to consummate the Transactions in accordance with Section 9.5 and (ii) the payment of the Termination Fee pursuant to this Section 8.3(c).

(d) Parent's right to receive payment from the Company of the Termination Fee and any other payments pursuant to Section 8.3 shall be the sole and exclusive remedy of the Parent Related Parties against the Company and any of their respective former, current or future officers, directors, partners, stockholders, optionholders, managers, members or Affiliates (collectively, "Company Related Parties") for any loss suffered as a result of the failure of the Offer or the Merger to be consummated or for a breach or failure to perform hereunder or otherwise, and upon payment of such amount(s), none of the Company Related Parties shall have any further liability or obligation relating to or arising out of this Agreement or the Transactions.

(e) The Parties acknowledge (i) that the agreements contained in this Section 8.3 are an integral part of the transactions contemplated by this Agreement, (ii) that the Termination Fee is not a penalty, but a reasonable amount that will compensate Parent and Purchaser in the circumstances in which such payment is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the Transactions and (iii) that, without these agreements, the Parties would not enter into this Agreement; accordingly, if the Company fails to timely pay any amount due pursuant to Section 8.3(b), and, in order to obtain the payment, Parent commences a Legal Proceeding which results in a judgment against the Company, the Company shall pay Parent its reasonable and documented costs and expenses (including reasonable and documented attorneys' fees) in connection with such suit, together with interest on such amount at the prime rate as published in the Wall Street Journal in effect on the date such payment was required to be made through the date such payment was actually received.

SECTION 9

MISCELLANEOUS PROVISIONS

9.1 Amendment. Prior to the Offer Acceptance Time, this Agreement may be amended with the approval of the respective Boards of Directors of the Company, Parent and Purchaser at any time; *provided that*, following the consummation of the Offer, this Agreement may not be amended in any manner that causes the Merger Consideration to differ from the Offer Price. This Agreement may not be amended except by an instrument in writing signed on behalf of each of the Parties.

9.2 Waiver. No failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy. No single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. No Party shall be deemed to have waived any claim arising out of this Agreement, or any power, right, privilege or remedy under this Agreement, unless the waiver of such claim, power, right, privilege or remedy is expressly set forth in a written instrument duly executed and delivered on behalf of such Party and any such waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. At any time prior to the Offer Acceptance Time, Parent and Purchaser, on the one hand, and the Company, on the other hand, may (a) extend the time for the performance of any of the obligations or other acts of the other, (b) waive any breach of the representations and warranties of the other contained herein or in any document delivered pursuant hereto or (c) waive compliance by the other with any of the agreements or covenants contained herein. Any such extension or waiver shall be valid only if it is expressly set forth in a written instrument duly executed and delivered on behalf of the Party or Parties to be bound thereby, but such extension or waiver or failure to insist on strict compliance with an obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. The rights and remedies provided herein shall be cumulative and not exclusive of any rights or remedies provided by any Legal Requirement except to the extent set forth in Section 8.3(d).

9.3 No Survival of Representations and Warranties. None of the representations and warranties contained in this Agreement, the Company Disclosure Schedule or in any certificate or schedule or other document delivered by any Person pursuant to this Agreement shall survive the Merger.

9.4 Entire Agreement; Counterparts. This Agreement (including its Exhibits, Annexes and the Company Disclosure Schedule) and the Confidentiality Agreement constitute the entire agreement and supersede all prior agreements and understandings, both written and oral, among or between any of the Parties and their respective Affiliates, with respect to the subject matter hereof and thereof. The Confidentiality Agreement shall survive the execution and delivery of this Agreement except that the restrictions on contact and restrictions on disclosure (to the extent to be included in SEC filings in connection with the Transactions) in the Confidentiality Agreement shall terminate immediately following the execution and delivery of this Agreement solely for purposes of permitting the actions contemplated hereby to be consummated. This Agreement may be executed in one or more counterparts, including by facsimile or by email with .pdf attachments, all of which shall be considered one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the Parties and delivered to the other Parties.

9.5 Applicable Legal Requirements; Jurisdiction; Specific Performance; Remedies.

(a) This Agreement shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof. In any action or proceeding arising out of or relating to this Agreement or any of the Transactions: (i) each of the Parties irrevocably and unconditionally consents and submits to the exclusive jurisdiction and venue of the Chancery Court of the State of Delaware and any state appellate court therefrom or, if (but only if) such court lacks subject matter jurisdiction, the United States District Court sitting in New Castle County in the State of Delaware and any appellate court therefrom (collectively, the “Delaware Courts”); and (ii) each of the Parties irrevocably consents to service of process by first class certified mail, return receipt requested, postage prepaid, to the address at which such Party is to receive notice in accordance with Section 9.9. Each of the Parties irrevocably and unconditionally (1) agrees not to commence any such action or proceeding except in the Delaware Courts, (2) agrees that any claim in respect of any such action or proceeding may be heard and determined in the Delaware Courts, (3) waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the jurisdiction or laying of venue of any such action or proceeding in the Delaware Courts and (4) waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in the Delaware Courts. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Legal Requirements; *provided, however*, that nothing in the foregoing shall restrict any Party’s rights to seek any post-judgment relief regarding, or any appeal from, such final trial court judgment.

(b) The Parties agree that irreparable damage for which monetary damages, even if available, would not be an adequate remedy, would occur in the event that the Parties do not perform their obligations under the provisions of this Agreement in accordance with its specified terms or otherwise breach such provisions. Subject to the following sentence, the Parties acknowledge and agree that (i) the Parties shall be entitled to an injunction or injunctions, specific performance, or other equitable relief, to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof in the courts described in Section 9.5(a) without proof of damages or otherwise, this being in addition to any other remedy to which they are entitled under this Agreement, and (ii) the right of specific performance is an integral part of the Transactions and without that right, neither the Company nor Parent would have entered into this Agreement. The right to specific enforcement hereunder shall include the right of the Company, on behalf of itself and any third party beneficiaries to this Agreement, to cause Parent and Purchaser to cause the Offer, the Merger and the other Transactions to be consummated on the terms and subject to the conditions set forth in this Agreement. Each of the Parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that the other Parties have an adequate remedy at law or an award of specific performance is not an appropriate remedy for any reason at law or equity. The Parties acknowledge and agree that any Party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement in accordance with this Section 9.5(b) shall not be required to provide any bond or other security in connection with any such order or injunction.

(c) EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING BETWEEN THE PARTIES (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE), INCLUDING ANY COUNTERCLAIM, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY OR THE ACTIONS OF ANY PARTY HERETO IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT THEREOF. EACH PARTY (I) MAKES THIS WAIVER VOLUNTARILY AND (II) ACKNOWLEDGES THAT SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS CONTAINED IN THIS SECTION 9.5.

9.6 Assignability. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; *provided, however*, that neither this Agreement nor any of the rights hereunder may be assigned by a Party without the prior written consent of the other Parties, and any attempted assignment of this Agreement or any of such rights without such consent shall be void and of no effect; *provided further, however*, that Parent may designate, by written notice to the Company, another wholly-owned direct or indirect Delaware corporate Subsidiary of Parent to act as Purchaser, in which event all references to Purchaser in this Agreement shall be deemed references to such other Subsidiary; *provided* such assignment shall not impede or delay the consummation of the Transactions or relieve Parent of its obligations hereunder.

9.7 No Third Party Beneficiaries. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties) any right, benefit or remedy of any nature whatsoever under or by reason of this Agreement; except for: (a) if the Offer Acceptance Time occurs, (i) the right of the Company's stockholders to receive the Offer Price or Merger Consideration, as applicable, pursuant to Section 1 or Section 2 following the Offer Acceptance Time or the Effective Time, as applicable, in accordance with the terms of this Agreement, and (ii) the right of the holders of Company Options to receive the applicable treatment pursuant to Section 2.8 following the Effective Time in accordance with the terms of this Agreement; and (b) the provisions set forth in Section 6.5 of this Agreement with respect to the Persons referred to therein.

9.8 Transfer Taxes. Except as otherwise provided in Section 2.6(b), all transfer, documentary, sales, use, stamp, registration and other similar Taxes and fees imposed on the Company with respect to the transfer of Shares pursuant to the Offer or the Merger shall be borne by the Company and expressly shall not be a liability of holders of Shares, expressly excluding any such Taxes imposed on the holders of Shares. The Company shall cooperate with Purchaser and Parent in preparing, executing and filing any Tax Returns with respect to such Taxes.

9.9 Notices. Any notice or other communication required or permitted to be delivered to any Party under this Agreement shall be in writing and shall be deemed properly delivered, given and received (a) upon receipt when delivered by hand, (b) two business days after being sent by registered mail or by courier or express delivery service, or (c) upon confirmation of successful transmission if sent by email followed up within one business day by dispatch pursuant to one of the other methods described herein; *provided* that in each case the notice or other communication is sent to the physical address or email address set forth beneath the name of such Party below (or to such other physical address or email address as such Party shall have specified in a written notice given to the other Parties):

Any term or provision of this Agreement that is invalid or unenforceable in any situation in any jurisdiction shall not affect the validity or enforceability of the remaining terms and provisions of this Agreement or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

9.11 Obligation of Parent. Parent shall ensure that Purchaser duly performs, satisfies and discharges on a timely basis each of the covenants, obligations and liabilities applicable to Purchaser under this Agreement, and Parent shall be jointly and severally liable with Purchaser for the due and timely performance and satisfaction of each of said covenants, obligations and liabilities.

9.12 Construction.

CERTAIN DEFINITIONS

For purposes of the Agreement (including this **Exhibit A**):

Acceptable Confidentiality Agreement. “Acceptable Confidentiality Agreement” shall mean any customary confidentiality agreement that is (a) in effect as of the execution and delivery of this Agreement or (b) executed, delivered and effective after the execution and delivery of this Agreement that (i) contains provisions that are not less favorable in the aggregate to the Company than those contained in the Confidentiality Agreement (it being understood that such agreement need not contain any “standstill” or similar provisions or otherwise prohibit the making of any Acquisition Proposal) and (ii) does not prohibit the Company from providing any information to Parent in accordance with Section 5.3.

Acquisition Proposal. “Acquisition Proposal” shall mean any proposal or offer from any Person (other than Parent and its Affiliates) or “group”, within the meaning of Section 13(d) of the Exchange Act, including any amendment or modification to any existing proposal or offer, relating to, in a single transaction or series of related transactions, any (i) acquisition or license of assets of the Company equal to 20% or more of the Company’s consolidated assets, (ii) acquisition or exclusive license of the Product Candidates, (iii) issuance or acquisition of 20% or more of the outstanding Company Common Stock, (iv) recapitalization, tender offer or exchange offer that if consummated would result in any Person or group beneficially owning 20% or more of the outstanding Company Common Stock or (v) merger, consolidation, amalgamation, share exchange, business combination, recapitalization, liquidation, dissolution or similar transaction involving the Company that if consummated would result in any Person or group beneficially owning 20% or more of the outstanding Company Common Stock, in each case other than the Transactions.

Affiliate. “Affiliate” shall mean, as to any Person, any other Person that, directly or indirectly, controls, or is controlled by, or is under common control with, such Person. For this purpose, “control” (including, with its correlative meanings, “controlled by” and “under common control with”) shall mean the possession, directly or indirectly, of the power to direct or cause the direction of management or policies of a Person, whether through the ownership of securities or partnership or other ownership interests, by Contract or otherwise.

Agreement. “Agreement” is defined in the preamble to the Agreement.

(b) (i) the representations and warranties of the Company set forth in the first sentence of Section 3.1(a) (Due Organization; Subsidiaries, Etc.), Section 3.2 (Certificate of Incorporation and Bylaws), Section 3.4 (Authority; Binding Nature of Agreement), Section 3.21 (Takeover Laws), Section 3.23 (Opinion of Financial Advisor) and Section 3.24 (Brokers and Other Advisors) of the Agreement shall be true and correct in all material respects as of the date of the Agreement and at and as of the Offer Acceptance Time as if made on and as of the Offer Acceptance Time (except to the extent any such representation or warranty expressly relates to an earlier date or period, in which case as of such date or period);

(ii) the representations and warranties of the Company set forth in the first sentence of Section 3.3(a), clauses (i) – (ii) of Section 3.3(b) solely as such representations relate to the Company, clauses (i) – (iii) of Section 3.3(c) and Section 3.3(d) (Capitalization, Etc.) of the Agreement shall be true and correct (except for *de minimis* inaccuracies) in all respects as of the date of the Agreement and at and as of the Offer Acceptance Time as if made on and as of the Offer Acceptance Time (except to the extent any such representation or warranty expressly relates to an earlier date or period, in which case as of such date or period);

(iii) the representation and warranty of the Company set forth in Section 3.6(b) (No Material Adverse Effect) of the Agreement shall be true and correct in all respects as of the date of the Agreement and at and as of the Offer Acceptance Time as if made at and as of the Offer Acceptance Time;

(iv) the representations and warranties of the Company set forth in the Agreement (other than those referred to in clauses (i) through (iii) above) shall be true and correct (disregarding for this purpose all “Material Adverse Effect” and “materiality” qualifications contained in such representations and warranties) as of the date of the Agreement and at and as of the Offer Acceptance Time as if made on and as of the Offer Acceptance Time (except to the extent any such representation or warranty expressly relates to an earlier date or period, in which case as of such date or period), except where the failure of such representations and warranties to be so true and correct has not had, and would not reasonably be expected to have a Material Adverse Effect;

(c) the Company shall have complied with or performed in all material respects the obligations, covenants and agreements it is required to comply with or perform at or prior to the Offer Acceptance Time;

(d) since the date of the Agreement, there shall not have occurred any change, circumstance, condition, development, effect, event, occurrence or state of facts which, individually or in the aggregate, has had, or would reasonably be expected to have, a Material Adverse Effect that is continuing;

(f) Parent and Purchaser shall have received a certificate executed on behalf of the Company by the Company’s Chief Executive Officer and Chief Financial Officer confirming that the conditions set forth in clauses (b), (c) and (d) of this Annex I have been satisfied;

(g) there shall not have been issued by any Governmental Body of competent jurisdiction in any jurisdiction in which Parent or the Company has material business operations, and remain in effect, any judgment, temporary restraining order, preliminary or permanent injunction or other order, decree or ruling restraining, enjoining or otherwise preventing the acquisition of or payment for Shares pursuant to the Offer or the consummation of the Offer or the Merger, nor shall any Legal Requirement have been promulgated, enacted, issued or deemed applicable to the Offer or the Merger by any Governmental Body in any jurisdiction in which Parent or the Company has material business operations, which prohibits or makes illegal the acquisition of or payment for Shares pursuant to the Offer or the consummation of the Merger; and

(h) the Agreement shall not have been terminated in accordance with its terms (the “Termination Condition”).

The foregoing conditions shall be in addition to, and not a limitation of, the rights of Parent and Purchaser to extend, terminate or modify the Offer pursuant to the terms of the Agreement. The foregoing conditions are for the sole benefit of Parent and Purchaser, may be asserted by Parent or Purchaser regardless of the circumstances giving rise to any such conditions (including any action or inaction by Parent or Purchaser) and (except for the Minimum Condition) may be waived by Parent and Purchaser, in whole or in part, at any time and from time to time, in the sole and absolute discretion of Parent and Purchaser. The failure by Parent or Purchaser at any time to exercise any of the foregoing rights shall not be deemed a waiver of any such right and each such right shall be deemed an ongoing right which may be asserted at any time and from time to time.

GILEAD TO ACQUIRE FORTY SEVEN FOR \$4.9 BILLION

– Gilead Gains Forty Seven’s Investigational Immuno-Oncology Therapy in Multiple Clinical Studies for Diseases Including Myelodysplastic Syndrome, Acute Myeloid Leukemia and Diffuse Large B-Cell Lymphoma –

– Transaction Supports Gilead’s Strategic Focus in Oncology and Gives Access to Potential New First-in-Class Program and Innovative Pipeline –

Foster City, Calif. and Menlo Park, Calif. -- March 2, 2020 -- Gilead Sciences, Inc. (Nasdaq: GILD) and Forty Seven, Inc. (Nasdaq: FTSV) announced today that the companies have entered into a definitive agreement pursuant to which Gilead will acquire Forty Seven for \$95.50 per share in cash. The transaction, which values Forty Seven at approximately \$4.9 billion, was unanimously approved by both the Gilead and Forty Seven Boards of Directors and is anticipated to close during the second quarter of 2020, subject to regulatory approvals and other customary closing conditions.

Through the addition of Forty Seven’s investigational lead product candidate, magrolimab, the acquisition will strengthen Gilead’s immuno-oncology research and development portfolio. Magrolimab is a monoclonal antibody in clinical development for the treatment of several cancers for which new, transformative medicines are urgently needed, including myelodysplastic syndrome (MDS), acute myeloid leukemia (AML) and diffuse large B-cell lymphoma (DLBCL). The investigational therapy targets CD47, a “do not eat me” signal that allows cancer cells to avoid destruction thereby permitting the patient’s own innate immune system to engulf and eradicate those cancer cells. Forty Seven presented promising results of a Phase 1b study of magrolimab in patients with MDS and AML at the American Society of Hematology meeting in December 2019. Magrolimab has the potential to be a first-in-class therapy.

“This agreement builds on Gilead’s presence in immuno-oncology and adds significant potential to our clinical pipeline,” said Daniel O’Day, Chairman and Chief Executive Officer of Gilead Sciences. “Magrolimab complements our existing work in hematology, adding a non-cell therapy program that complements Kite’s pipeline of cell therapies for hematological cancers. With a profile that lends itself to combination therapies, magrolimab could potentially have transformative benefits for a range of tumor types. We are looking forward to working with the highly experienced team at Forty Seven to help patients with some of the most challenging forms of cancer.”

“This is an exciting day for patients who may one day benefit from future anti-CD47 therapies and other immuno-oncology treatments based on our research and an exciting time for Forty Seven as this allows us to achieve our vision of helping patients defeat their cancer,” commented Mark McCamish, MD, PhD, President and Chief Executive Officer of Forty Seven. “We are pleased to join Gilead and believe that by combining our scientific expertise with Gilead’s strength in developing treatments that modify the immune system, we will be able to more rapidly advance our therapies.”

Magrolimab

Forty Seven is initially studying magrolimab in patients with MDS and AML. Additional studies are ongoing in non-Hodgkin lymphoma (NHL) and solid tumors. Magrolimab has been granted Fast Track designation by the U.S. Food and Drug Administration (FDA) for the treatment of MDS and AML, and for the treatment of relapsed or refractory DLBCL and follicular lymphoma, two forms of B-cell NHL. Magrolimab has also been granted Orphan Drug designation by the FDA for the treatment of MDS and AML and by the European Medicines Agency for the treatment of AML.

More than 400 patients have received the compound to date through clinical trials.

Ongoing Phase 1b Clinical Trial

In December 2019, Forty Seven presented promising results of a Phase 1b trial evaluating magrolimab in combination with azacitidine in untreated patients with higher risk MDS and untreated patients with AML, who are ineligible for induction chemotherapy. This has led to the initiation of a potential registrational cohort in MDS. All patients received a 1 mg/kg priming dose of magrolimab, coupled with inpatient dose escalation to mitigate on-target anemia. Patients were then treated with full doses of azacitidine and magrolimab maintenance doses of 30 mg/kg weekly.

As of the data cutoff of November 18, 2019, 62 patients had been treated with the combination in the Phase 1b portion of the trial, including 35 patients with MDS and 27 patients with AML.

Clinical Activity Data

As of the data cutoff, 46 patients were evaluable for response assessment, including 24 patients with untreated higher-risk MDS and 22 patients with untreated AML, who were ineligible for induction chemotherapy.

- In higher-risk MDS, the overall response rate (ORR) was 92 percent, with 12 patients (50 percent) achieving a complete response (CR), eight patients (33 percent) achieving a marrow CR and two patients (8 percent) achieving hematologic improvement. Two patients (8 percent) had stable disease.
 - In untreated AML, the ORR was 64 percent, with nine patients (41 percent) achieving a CR, three patients (14 percent) achieving a CR with complete blood count recovery (CRi) and one patient (5 percent) achieving a morphologic leukemia-free state (MLFS). Seven patients (32 percent) had stable disease and one patient (5 percent) had progressive disease.
 - The median time to response among MDS and AML patients treated with the combination was 1.9 months.
 - Median duration of response and median overall survival have not been reached for either MDS or AML patients, with a median follow-up of 6.4 months (range 2.0 to 14.4 months) for MDS and 8.8 months (range 1.9 to 16.9 months) for AML.
-

Safety Data

As of the data cutoff, the combination of magrolimab and azacitidine was well-tolerated, with no evidence of increased toxicities compared to azacitidine alone. Adverse events (AEs) were consistent with prior clinical experience. No deaths were observed in the first 60 days on combination treatment and only one patient out of 62 (1.6 percent) discontinued treatment due to a treatment-related AE.

Additional Programs

Beyond magrolimab, Forty Seven is preparing to advance two additional investigational compounds into clinical testing. FSI-174, an anti-CKIT antibody, is being developed in combination with magrolimab as a novel, all-antibody conditioning regimen to address the limitations of current stem cell transplantation conditioning regimens. FSI-189, an anti-SIRP α antibody, is being developed for the treatment of cancer, as well as certain non-oncology settings, including transplantation conditioning.

Terms of the Transaction

Under the terms of the merger agreement, a wholly-owned subsidiary of Gilead will promptly commence a tender offer to acquire all of the outstanding shares of Forty Seven's common stock at a price of \$95.50 per share in cash. Following successful completion of the tender offer, Gilead will acquire all remaining shares not tendered in the offer through a second step merger at the same price as in the tender offer.

Consummation of the tender offer is subject to a minimum tender of at least a majority of outstanding Forty Seven shares plus Forty Seven shares underlying vested options, the expiration or termination of the waiting period under the Hart-Scott-Rodino Antitrust Improvements Act and other customary conditions.

Gilead plans to pay all cash consideration for the transaction. The tender offer is not subject to a financing condition.

Citi and J.P. Morgan are acting as joint financial advisors to Gilead. Centerview Partners LLC is acting as the exclusive financial advisor to Forty Seven. Skadden, Arps, Slate, Meagher & Flom LLP is serving as legal counsel to Gilead and Cooley LLP is serving as legal counsel to Forty Seven.
